HOMECOMING

Homecoming festivities began with the annual bonfire held on Thursday night. The fire was delayed due to some "pyromaniacs" who ignited the heap earlier in the day. With the help of some "woodgatherers," the pile was reconstructed and the bonfire was a success in spite of the delay.

On Friday afternoon the streets were thronged with people eagerly awaiting the display of "Circus, Circus", the Homecoming parade. Float construction lasted four days and resulted in some fine creations, with first place going to the Junior Class.

HOMECOMING

Friday night was the Homecoming game. The stands were "packed" with standing room only. Cheers roared when the Sophomores won their game but disappointment spread throughout the crowd as the Varsity suffered a defeat from Zion Benton.

Homecoming week came to a close Saturday night with a dance featuring "Sign Language". Later in the evening the anticipation grew as the crowd eagerly awaited the crowning of the royalty for 1977.

Homecoming and its "afterglow" will long be remembered.

SEND ME NO FLOWERS

"Send Me No Flowers", the West Campus Fall Play, centered around the disease of hypochondria as contracted by George Kimball portrayed by Pete Bender. His wife, Judy, played by Lynn Lupo, maintained concern for her husband's health but always suspected that George was not as sick as he would have her believe.

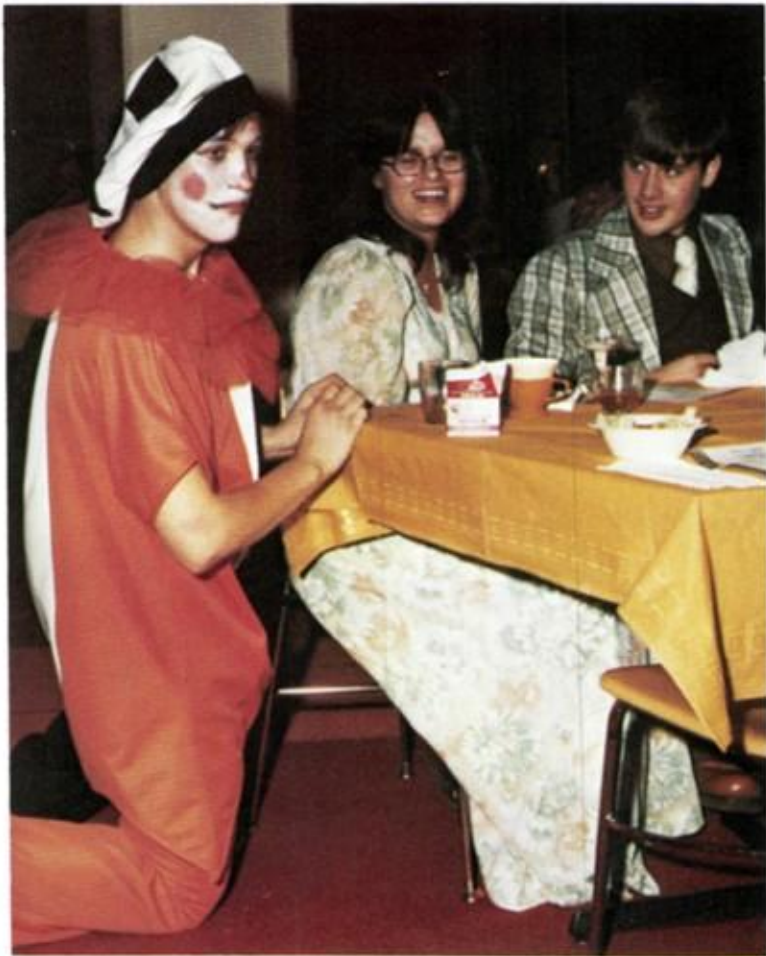

Feeling his death was imperative, George made arrangements for his funeral with the help of his close friend and neighbor, Arnold Nash, portrayed by Tim Cornwell. George also planned for his wife's future by arranging for her to spend time with her old friend Bert Power, played by Craig Butler, Rotary Exchange Student from Australia. Suddenly and accidentally, the truth was revealed and all arrangements were cancelled.

As the final curtain went down the audience was left with a warm feeling . . . our afterglow.

A special thank you goes to Mrs. Vandagriff for her tremendous support during these past four years. McHenry High School appreciates all her efforts and wishes her the best of luck . . . many many thanks.

MADRIGAL DINNER

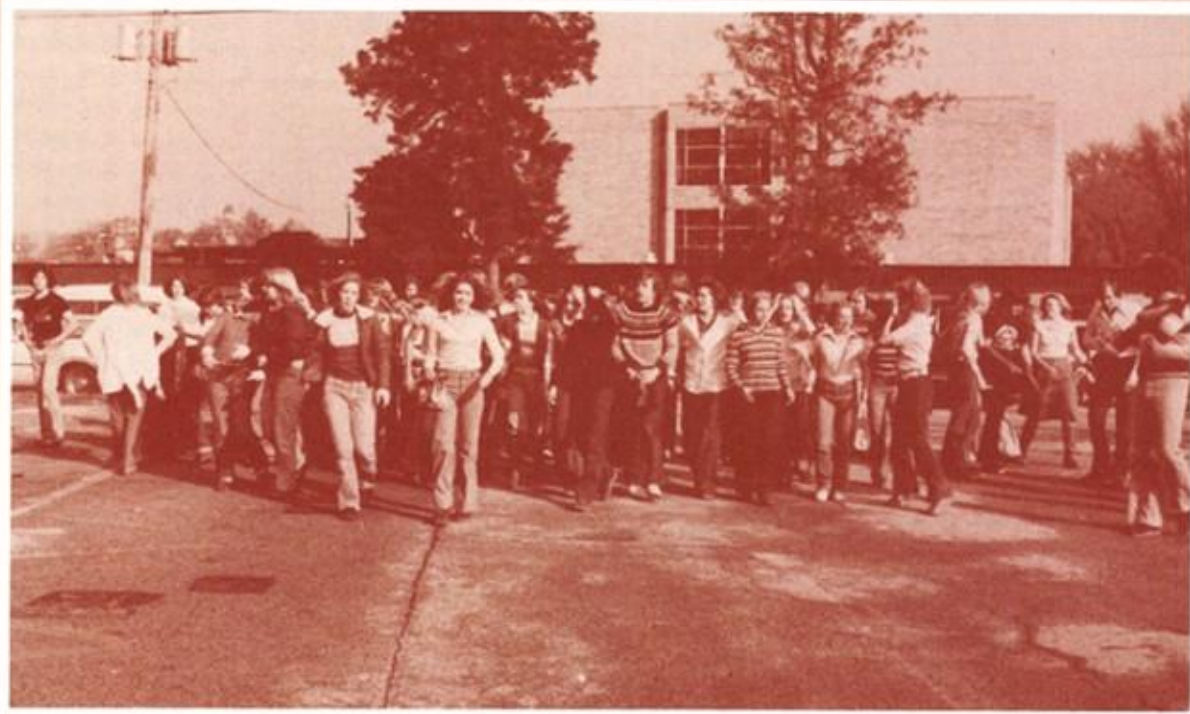

This year the Madrigal Singers held their annual dinner on December 10th and 11th. The audience was treated to a dinner including cornish hen, yorkshire pudding and flaming cherries jubilee in the style of 1477. In addition to singing many traditional carols, the singers entertained their guests with several minuets.

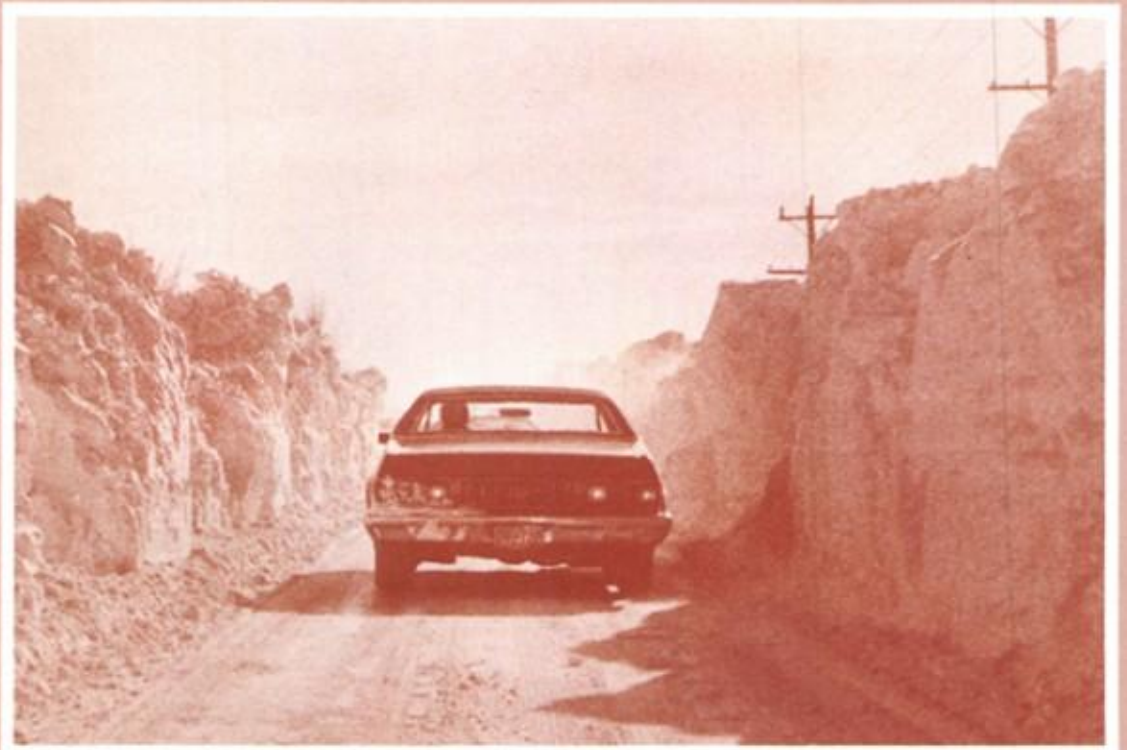

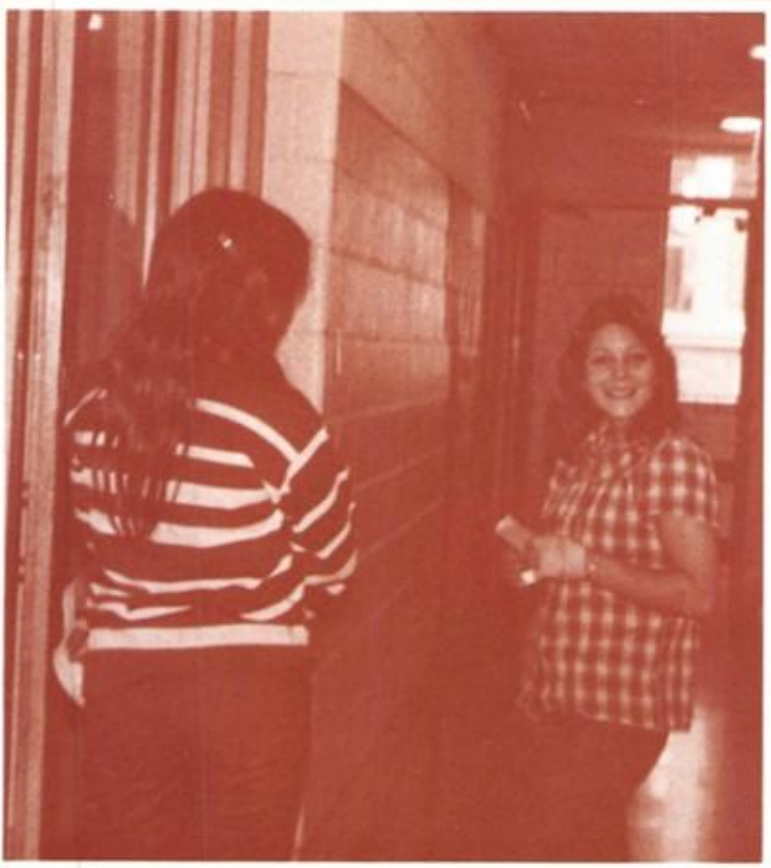

Girls selected from the West Campus Chorus served the meal and later were invited to sing a couple of songs.

All in all, fine food and lively entertainment provided a warm afterglow.

IS ANYBODY OUT THERE?

The East Campus Winter Play featured Oliver Wendell Pankey, a mousy and nervous bank teller who captivated the audience with the humorous tale of coward turned hero. In one day Oliver is robbed of his worldly possessions, rejected by his fiancé and informed of his terminal illness. In response to all of this, he devotes his life to heroism by saving lives, catching criminals single handedly and acting as a decoy for the FBI.

In the final scene, he leaves the stage to face the machine gun fire of criminals and the brave, courageous and bold Oliver Wendell Pankey reminds the audience of his true character and faints.

TALENT SHOW

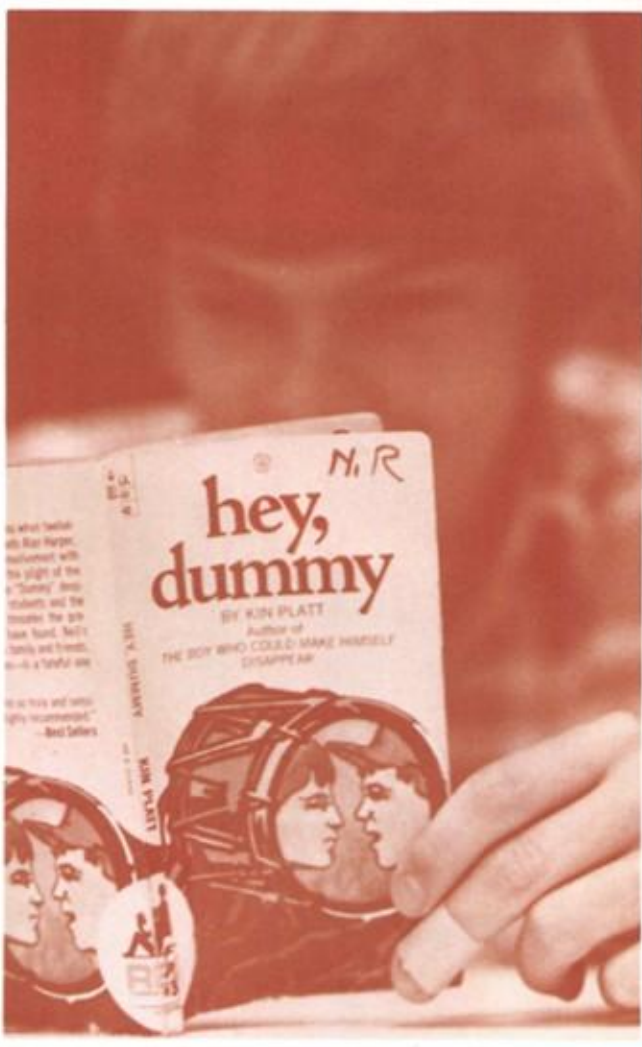

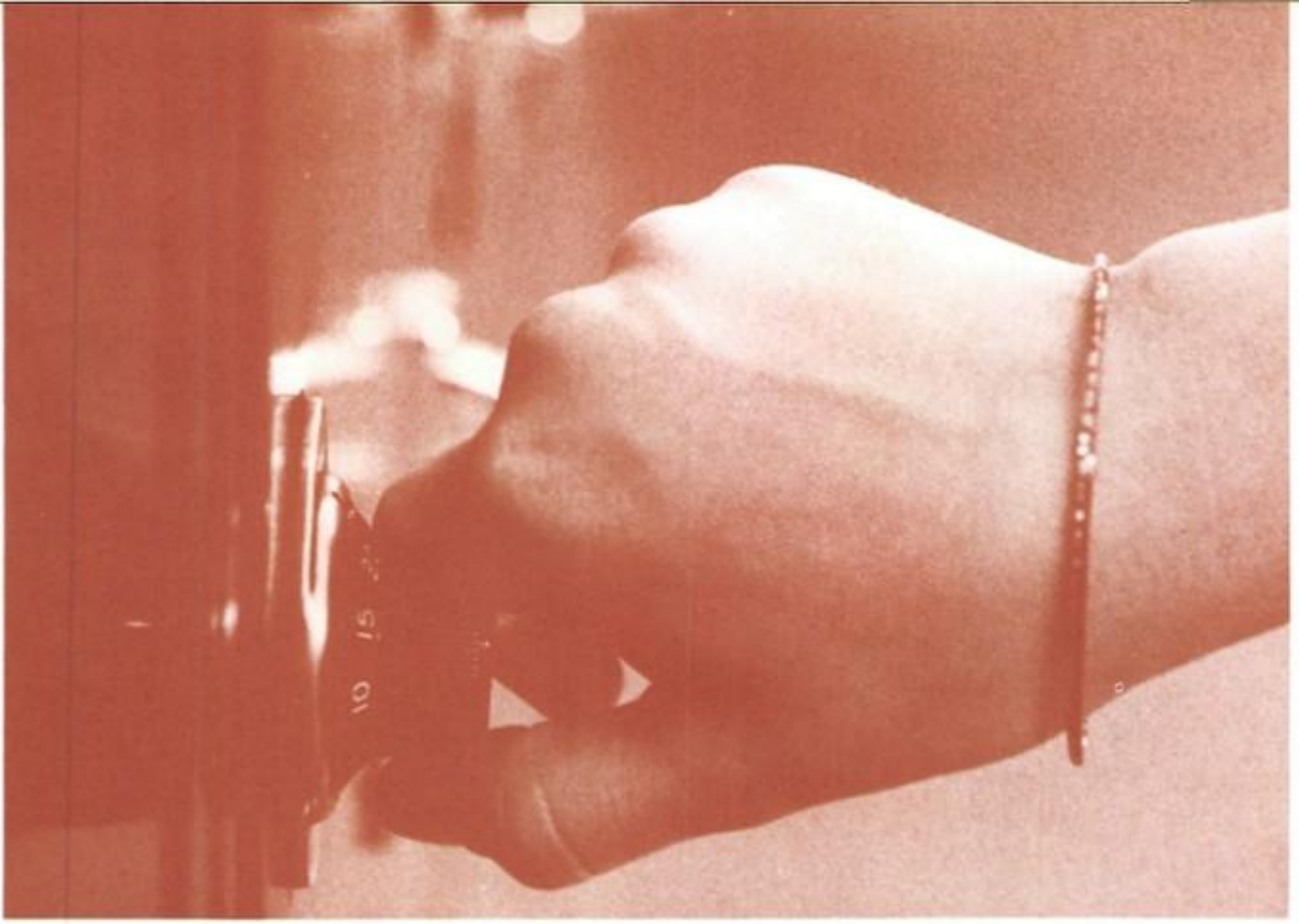

Our annual Talent Show brought Christmas Week to a close with "Real Entertainment". The spotlight was on acts like Olde England, represented by four Yorkshiremen, Mike Davis, Rob Thomas, Craig Butler and Mark Arvidson. Later we were entertained with music and songs by Tim Cornwell and Dave Dalton and Judy Ryan. An interpretive dancer, Lori Wilson captured the audience's attention with her performance, but smiles, laughter and applause were the main attraction of our Talent Show.

THE YEAR IN SPORTS

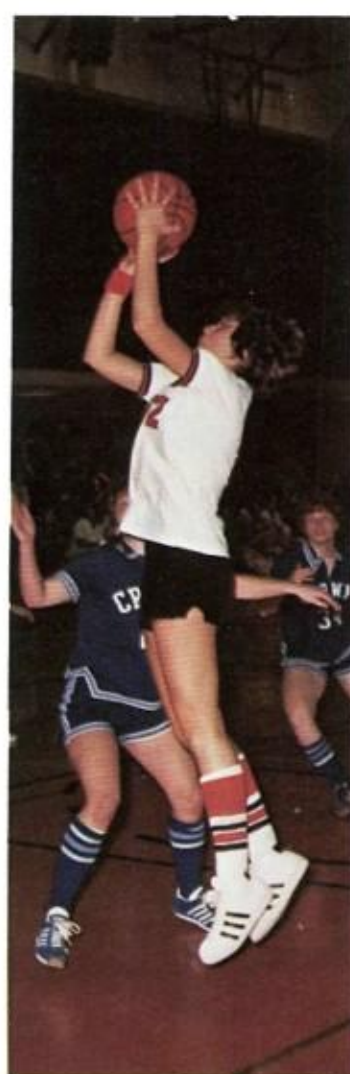

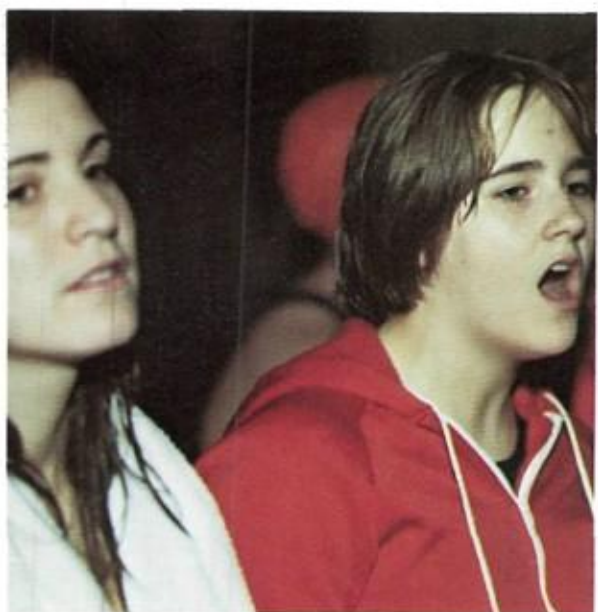

This years' sports provided the thrill of victory along with the agony of defeat and we learned to accept both gracefully.

The new Fox Valley conference will undoubtedly bring new challenges for both the Warriors and their supporters. The new Conference includes Woodstock, Crystal Lake Central and South, Cary Grove, Dundee, Crown, Jacobs and McHenry High Schools.

Because of the creation of the new Johnsburg High School and our enrollment drop, the sporting Warriors will need our continued support and enthusiasm.

IN MEMORIAM
MARALYN S. LEVENS
JANUARY 12, 1953-FEBRUARY 3, 1978

The world would be a better place if our teachers would dwell on the Duty of Happiness as well as on the Happiness of Duty, for we ought to be as cheerful as we can, if only because to be happy ourselves is a most effectual contribution to the happiness of others.

East Campus Community Government

The main purpose of E.C.C.G. is to give East Campus students and adults a voice in their school. There are approximately twenty-one students and seven adults who meet once a month to discuss bills for such things as Christmas week, and rule changes. To apply for E.C.C.G. students need only to take out petition and get twenty student signatures. Adults need to get ten adult signatures.

Bills passed this year include; Christmas, assemblies, the removal of junk food and a contribution to the Maralyn Levens Memorial Scholarship Fund. Two bills that were not passed were Special Privilege Passes and a bill to regulate the cafeteria mess.

INTERNATIONAL CLUB

International Club, which started here in 1972, has grown to include seventy members! The main function of the club is to acquaint language students with cultures different from their own. A German style picnic, a Mardi Gras celebration (pictured) and the annual Milwaukee Fold Festival and Fair were some of the activities this past year.

The club has conducted many funds raising activities and according to sponsors Miss Everitt and Miss Orso, the 1978 school year has been a most successful one for the International Club.

F.B.L.A.

Future Business Leaders of America (FBLA) is in its 23rd year at McHenry High School. The club participates in area and state conferences which consist of workshops and contests dealing with business related occupations. Mr. Knauer, sponsor at East, feels that membership in FBLA is not up to par and should be doubled compared to the national average. One business course makes a student eligible of 22 students at both East and West combined.

The West Campus Drama Club is an "informal" club which sponsors shows, according to Miss Bonde and Mr. Popp. The drama club, they emphasized, is opened to anyone with an interest in the art of theater. Different aspects of drama include set construction, make-up, lighting and acting. Plans of improvement for next years' drama club, according to Mr. Popp, include the election of officers, established meeting times, university visits and theater trips.

The East Campus Drama Club, which produced the winter play, "Is Anybody Out There?" contained approximately forty-five members. This year the club has travelled to see two professional shows; "The Music Man" and "Ready When You Are C.B." While the initial responsibility of the club is to sponsor shows, the drama club also assists in giving experience to those students who enjoy drama but need practice acting. "... I think we've come a long way", said Mr. Stanowski, sponsor.

Third Row: Laurie Wedell; Laura Kottke; Margo Lund; Barb Humann; Hans Larsen; Dan Zarembo. Fourth Row: Thaddeus Novak, advisor; Gayle Haubold; Jamie Werhane; Connie Johnson; Cheryl Hansen; Sammy Lee; Linda Schmitt.

The "Warrior", "East Side Story" and "The Afterglow" sum up the journalistic efforts of MCHS. The West Campus newspaper was produced by two classes of journalism students under the direction of Mrs. Barton. Unlike the West paper, the East Campus newspaper was a co-curricular effort, advised by Mrs. Synder. Both are self supportive. The west staff earned money through advertisements while at east the paper was produced through extra efforts from the faculty and staff.

This was the first year for instruction in photo journalism and it came as a result of two credit classes. About one half of the yearbook was completed on regular class time and about one half of the yearbook had to be done on a student's free time or after school. "The yearbook class is a lot of work, and I don't think too many people realize that; some thought it would be an easy credit", said Mr. Novak. By the creation of the yearbook classes, student involvement was trippled for '78.

AIKIDO

Aikido is a form of Japanese self-defense which consists of Harmony in Motion, and Joining Movements to throw off attackers. The Aikido club began in 1977, but was limited to West Campus students. This year it has expanded to include students at both East and West. Mr. Clayton, sponsor for the club, became interested in Martial Arts and studied Karate and Kung Fu in addition to Aikido, which he found most satisfying. This year, the club consisted of ten members.

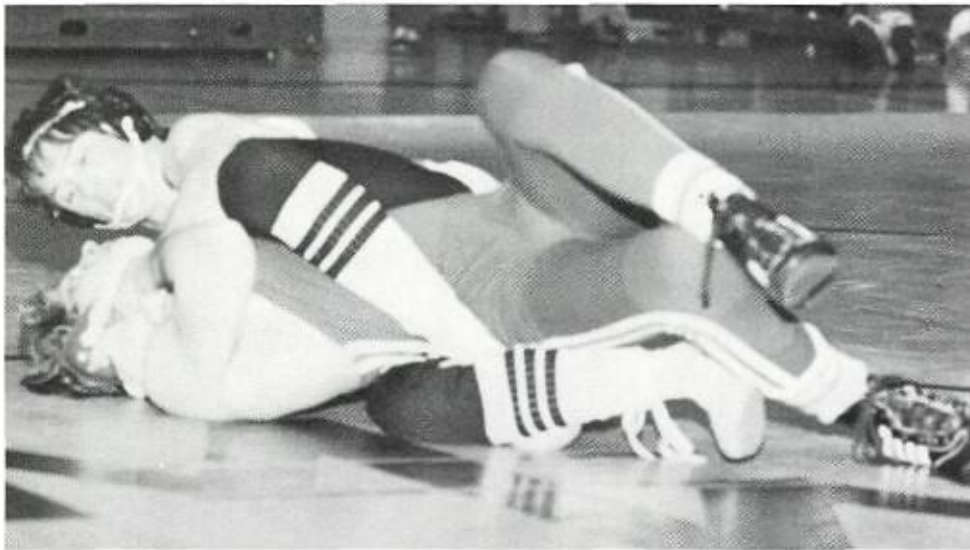

WEIGHTLIFTING

This was the first full year for the weightlifting club. There were usually between five and ten regulars involved at the meetings and on one occasion, they had twenty-eight. Mr. Mathis, the coach of the club, got started in weightlifting because he wanted to get himself in shape. He taught weightlifting before this at the Chicago Health Club and Leaning Tower YMCA. All of the equipment in the club belongs to Mr. Mathis, except for the Olympic set, which was purchased by the club through carwashes and bake sales.

M-CLUB is for the outstanding athletes in all sports. The honor of M-club must be earned but acceptance is not mandatory. The cost for membership is minimal according to Mr. Swanson, sponsor of the club for the past 10 years, and this year about 30 athletes accepted membership.

ALTERNATIVE SCHOOL

Due to lack of funds, the 1978 school year marks the end for the District 156 Alternative School.

By previous agreement, the Continental Bank of Chicago had agreed to match the amount of money raised by the district for this program. School funds, however, were cut 100% and the efforts of students, staff and parents produced only one half of the dollar figure available for the 77-78 school year. With increasing enrollment and rising costs the school could not operate on less money.

Doug Pratt, director of the Alternative School, was clearly disappointed. "What hurts most is that students who need this opportunity will no longer have it available.

EDUCATION FOR LIFE

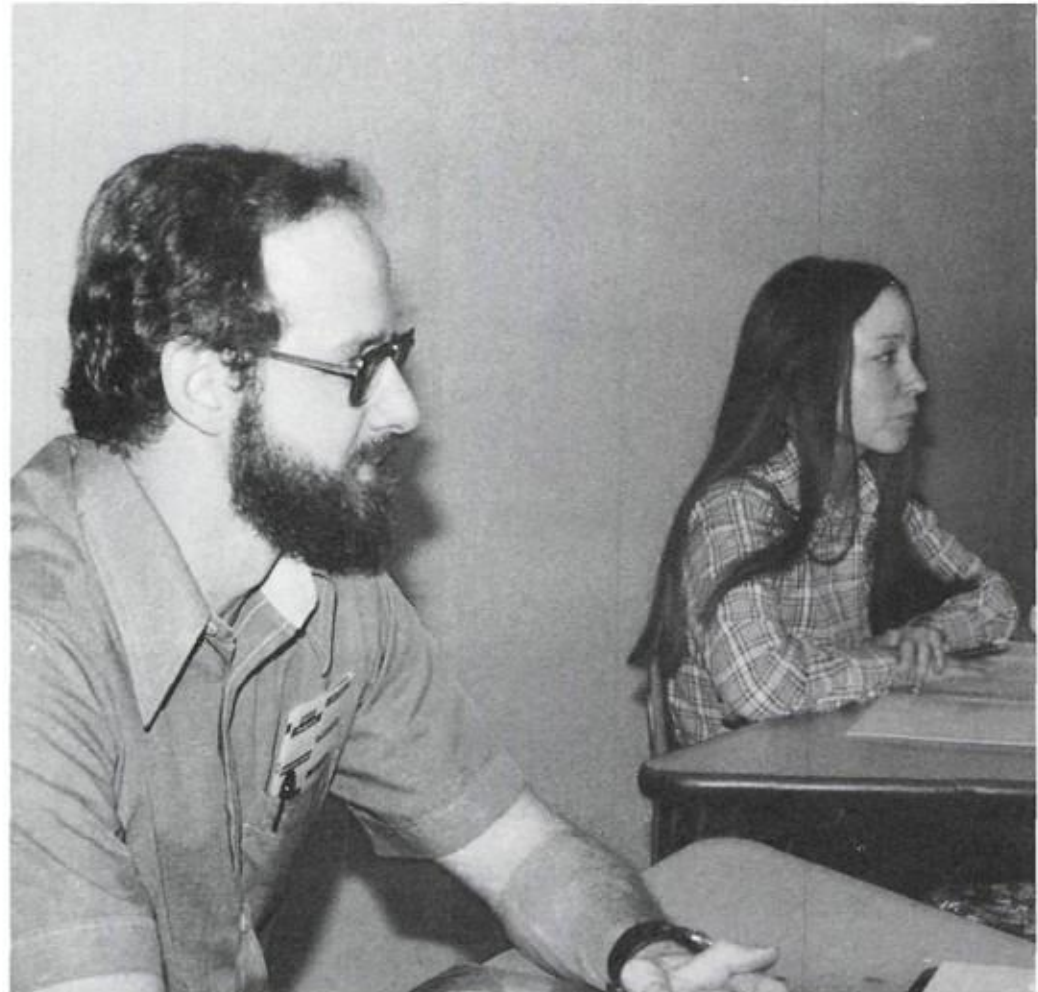

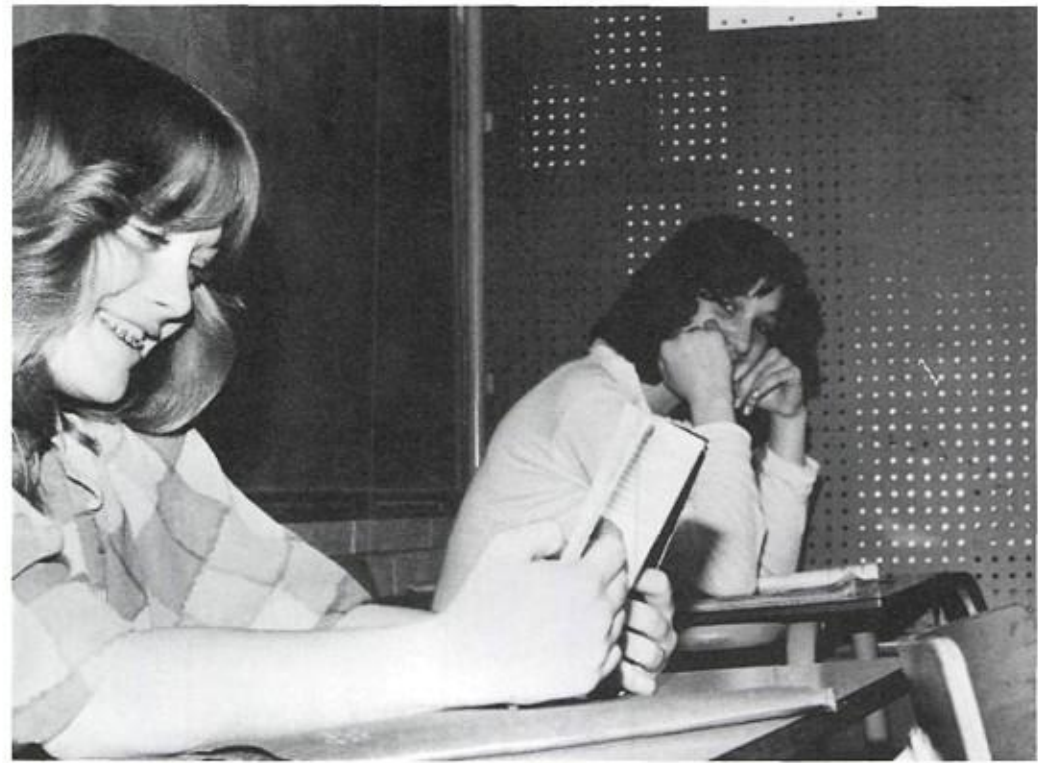

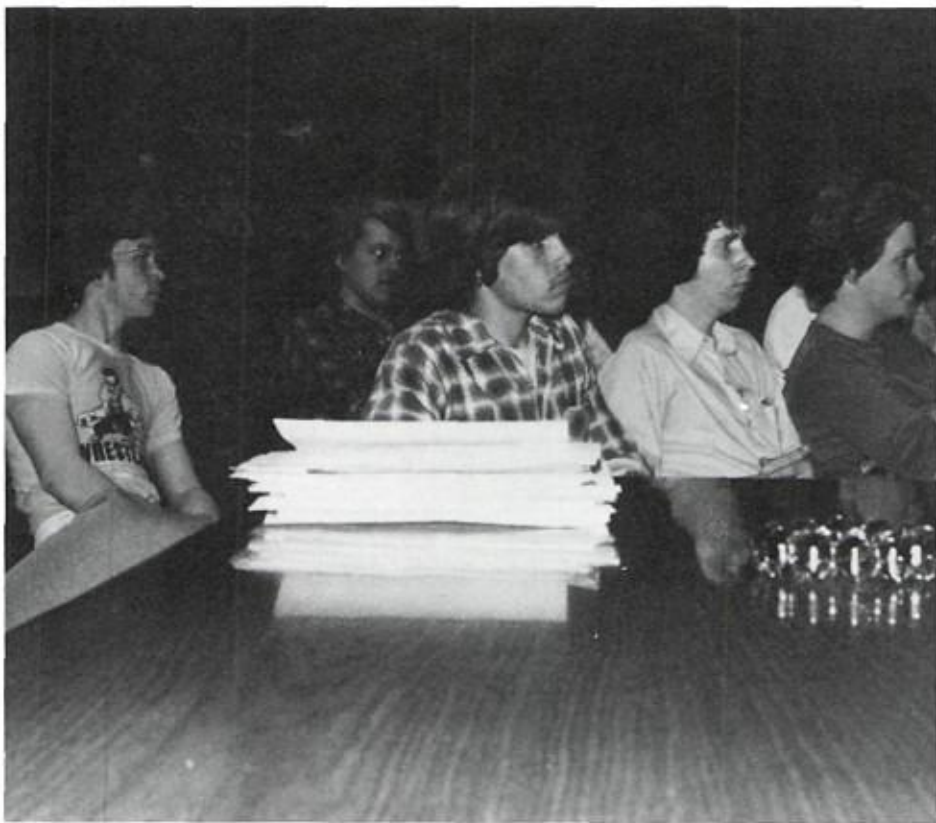

The Education For Life Program completed its second year at East Campus. The option involved twenty five students and six teachers this year.

E.F.L. includes required classes for sophomores plus two extra classes, History and Survival Skills, to help the students in the future.

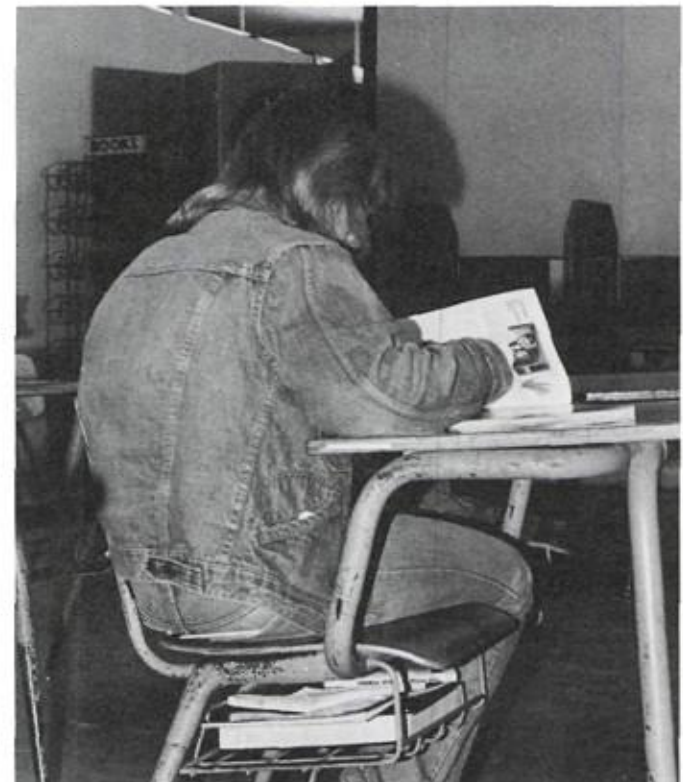

Pictured here are some of the E.F.L. activities for the past year. Students visited the McHenry Police Station to discuss the rights of minors and hosted a guest speaker who discussed criminal justice.

ACHIEVE

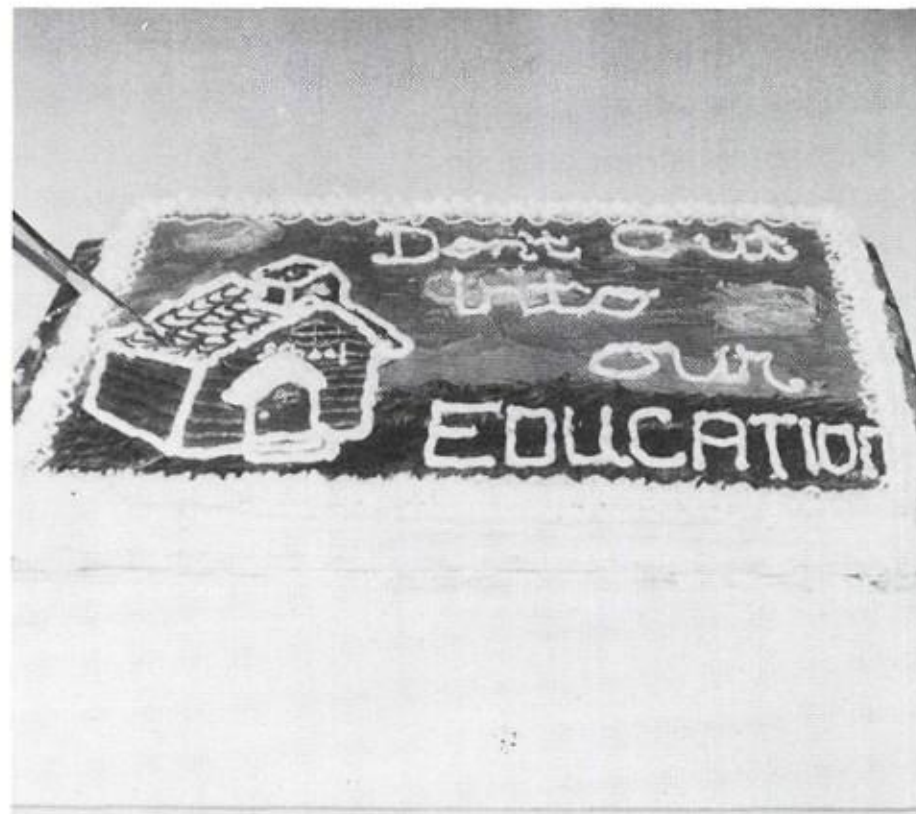

Students view Achieve, the in school suspension system of McHenry High School as a punishment and as a privilege. "Its a punishment because the students freedom's restricted, but it is a privilege because they can keep their grades up", said Mr. Aull. Achieve is in its second year at East and first year at West. The program was designed by the administration as an alternative to out of school suspension for lesser offences. Mr. Aull was appointed to direct the program and Mrs. Wirtz serves as his aide at East Campus, while Mr. Borcovan supervises Achieve at West.

I.S.I.C.S. represents Independent Study In Community Services. It is a program for sophomore students who wish to help pre-school, kindergarten, 1st and 2nd graders in their learning. The program sponsor, Miss Meding, began about seven years ago. Miss Meding got the idea for I.S.I.C.S. when she was in school, but it was called F.T.A. (Future Teachers of America). Students may earn 1/2 credit if they take I.S.I.C.S. for a semester and 1 full credit if they take it for a year. About 130 students are involved in this organization.

SIMULATED EMPLOYEE EXPERIENCE

S.E.E., Simulated Employee Experience, gives students an idea of what life in the working world might be like. The program began about three years ago under the direction of Mr. Godshall, Mrs. Smith, and Mr. Joint, then assistant superintendent. Currently S.E.E. is coordinated by Mr. Wolter and Mr. Godshall. The program is partially funded by the state, however, students involved in this program earn full credit, in addition to valuable job-training experience.

But to go to school . . .
Oh, it drives all joy away!
Under a cruel eye outworn,
The little ones spend the day-
In sighing and dismay.

The Varsity Football Team finished the season with a record of 3 wins and 6 losses. Coach Day was optimistic at the start of the season but an unusually high number of injuries plagued the team.

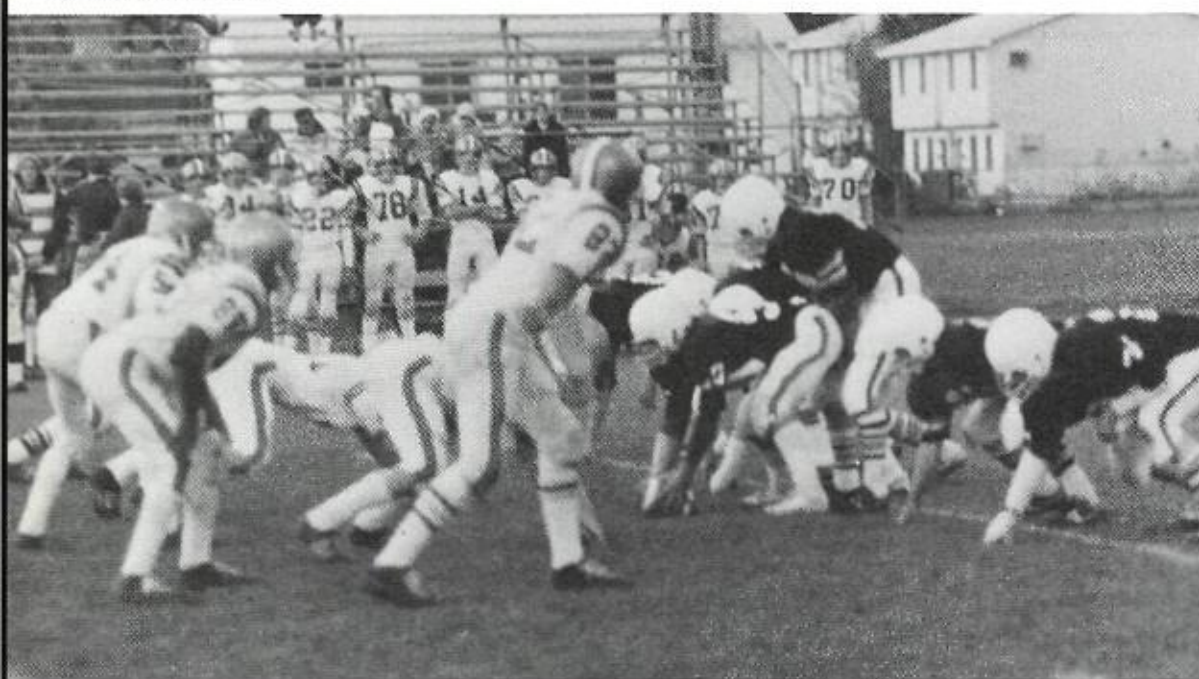

The Most Valuable Player for the season was Tim Oakley. The best offensive player and outstanding lineman was Art Bentz. All conference players were Art Bentz and Marty Nuss (seniors) and quarterback, Pete Prust (junior).

With a new conference next year the upcoming season should be interesting. Unfortunately, McHenry will lose many good players to the new Johnsburg High School. However, Mr. Day believes the team can do well if all eligible players participate.

The Sophomore Football Team had a mediocre season this year because of a less than successful season as freshmen, according to Coach Partenheimer. Throughout the season, the team developed skills and at the seasons end, team strengths included the defense, yardage scoring, and the receiving.

The team finished with a record of 3 wins, 3 losses and 2 ties.

The Freshman Football Team started the season with fifty-six players and ended playing their last game with only forty-eight due to injuries.

Team A had a conference record of three wins, two losses and two ties. The team played very well with players like Todd Kringstad and Paul Sroka in the line up. The team kept going strong in spite of the loss of quarterback Keith Belzer due to a hand injury.

For B team, things didn't go too well, even though they tried their hardest. They ended the season with a conference record of three wins, four losses and two ties. Rookie Coach, Mr. Knauer enjoyed working with the team and said, "They showed aggressiveness and accuracy. Speaking as a rookie in the business, I believe we did our very best."

The first four meets were won by four different runners; Randy Wright, Wayne Besserud, Chris Dixon, and Gerry Baczkowski.

THE SEASON OF SUCCESS

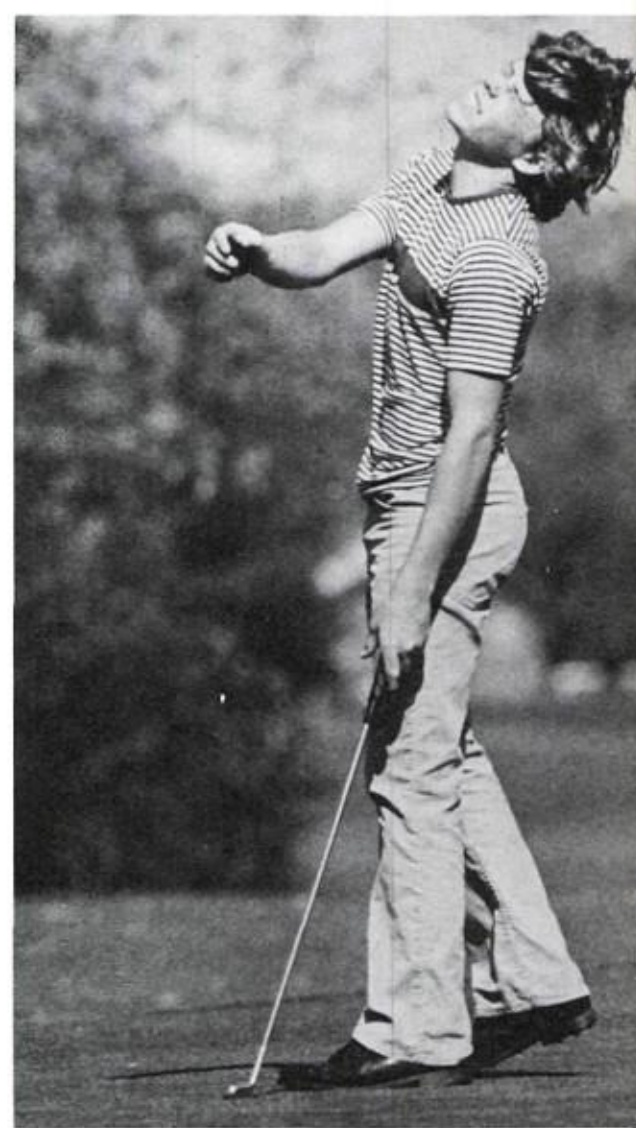

Front Row: Jim Buenzli, Mike Becker, Bob Lunkenheimer, Back Row: Coach Cuda, Tom Pepping, Ron Pepping, Tim Beyrs, Steve Kively.

Playing in cold, rainy weather didn't seem to change the spirits of the MCHS gold team. With only one loss throughout the conference, the Warriors showed everyone they had the power to do well. Eleven teams competed in the Lake Forest Sectionals and McHenry was among them. That meet was one out of the many which turned out to be cold and wet, but the golfing Warriors managed to take 4th place. The team finished first in the Crown Invitational and in the NSC Conference. The season of success ended in Springfield when McHenry placed 3rd in the state finals. This is the first team Coach Cuda has taken to the state finals in twenty-seven years. Congratulations to a fine coach and super team.

The Varsity Volleyball team had an average season this year. Team size was outstanding, and understandably, spiking proved to be the team strength. On the negative side, Coach Ruggero seemed to feel that a better attitude would have allowed the girls to play as more of a team. Teammate Cindy Beyer was voted all conference.

Frosh-Soph "B" Team, Front Row, Debbie Bauer; Teresa Boyd; Vivian Beyer; Betsy Tonya. Back Row: Miss Elliott; Rita Schaller; Kim Coleman; Sally Oeffling; Kathie Kling.

The Varsity Basketball team had excellent shooters, were very competitive, practiced hard, worked well as a team, had excellent sportsmanship and a very good attitude, according to Coach Ludwig. Experience, he said, was the teams' biggest strength. "Well, . . . I think, just the group of kids we had to work with . . . was a strength in itself. I think they were a great bunch of kids." The team had better than average player size and ball handling skills. They also had average quickness, but, Coach Ludwig said, only "average quickness" would be a drawback. The biggest weakness suggested by the coach was passing. Additional weakness were free throw shooting and inconsistency.

The Sophomore Basketball team took first place in two tournaments this year; one here in McHenry and another in Kaneland. Team strengths, according to Coach Blankenhorn, were attitude, sportsmanship, team work, ball handling and shooting. The major weakness of the team was an inability to make free throw shots. Free throw shooting, he said, requires almost complete concentration and the team needed improvement in this area. The Freshmen Basketball players worked as a team, otherwise they didn't play, according to Coach Wirtz. Once a player has developed skills on B team he then played the "stiffer competition" with A team. Having two teams enables more students to play, "The seventh, eighth, ninth, and tenth men", as Coach Wirtz put it. Some of the team strengths, according to Coach Wirtz, were ball handling (dribbling and passing), speed and size.

The Girls' Varsity Basketball team strengths were experience, ball handling and speed, according to Coach Schaeffer. The team worked well together on court, she added, had a good attitude, conducted good defense and also showed good sportsmanship. "I think my kids, most of them, put out 100% when they were out there on the court", Coach Schaeffer concluded. This year's J.V. team had a few weaknesses and were always able and willing to solve any problems, according to Coach Roth. The team worked together and knew how to "use" each other. The Girls' defense as well as their offense was a strength, Coach Roth added. They also were quick, good ball handlers and had a positive attitude. "Most of the kids on the J.V. team really were out there to win as a team and improve as individuals", she said. "When they won they worked for it, and they earned it" said Coach Coleman concerning the Girls' Freshman Basketball team. Team strengths were ball handling and a "super good" defense, according to Coach Coleman. The team weaknesses were slowness, pass receiving, fear of shooting and player size. As Coach Coleman put it, "McHenry was short, we were really short". She concluded that if the girls work at their game, they will do well next year.

This year's Varsity Wrestling team was led by players such as Jeff Hurkes, Bruce Brda, Tom Hughes and Mike Zimmerman, who placed first in the conference and twentieth downstate, giving him a 24-7-1 record for the season. Junior Varsity kept their "hold" with players like Dave Ramer and Ed Hughes. The Freshman team was led by players such as Tom Creutz, Joe Mullen and Vic Betancourt.

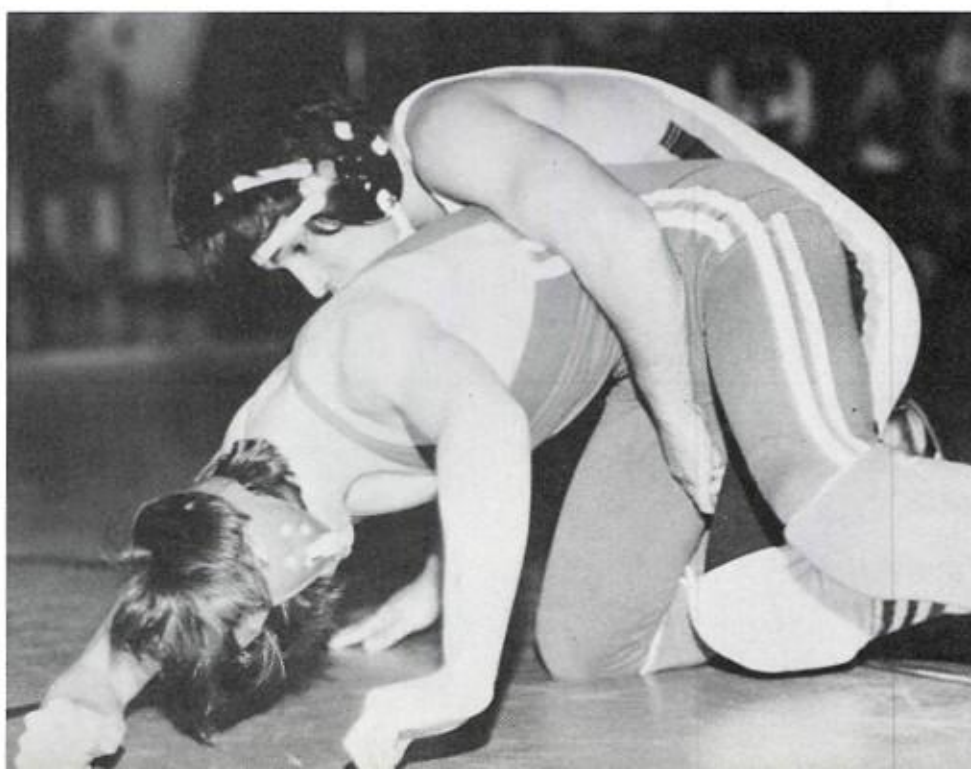

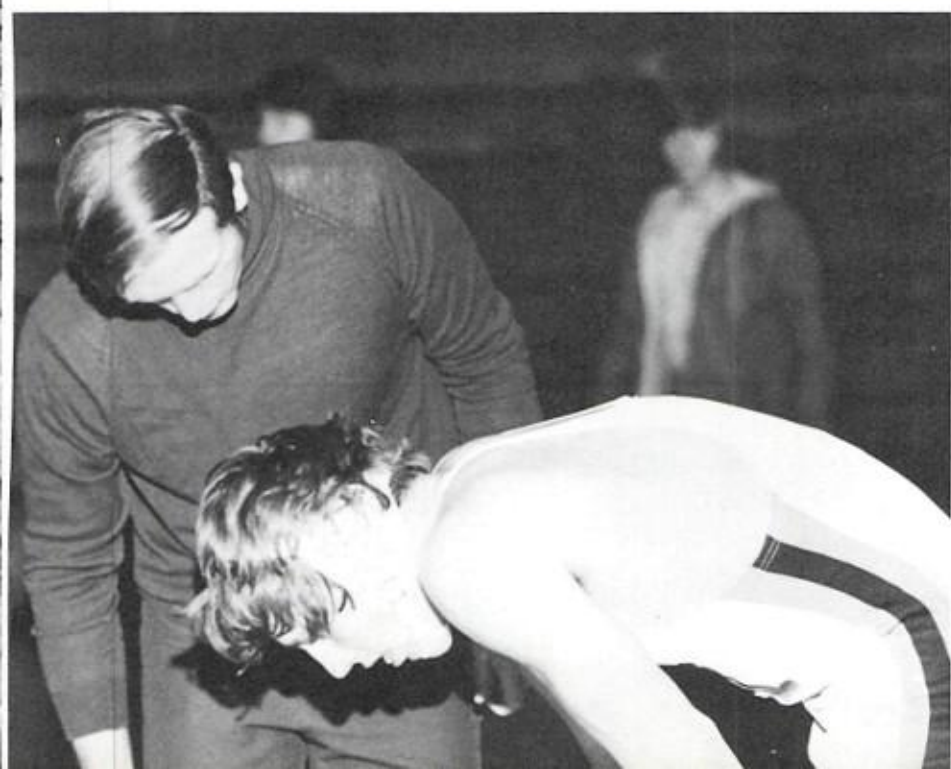

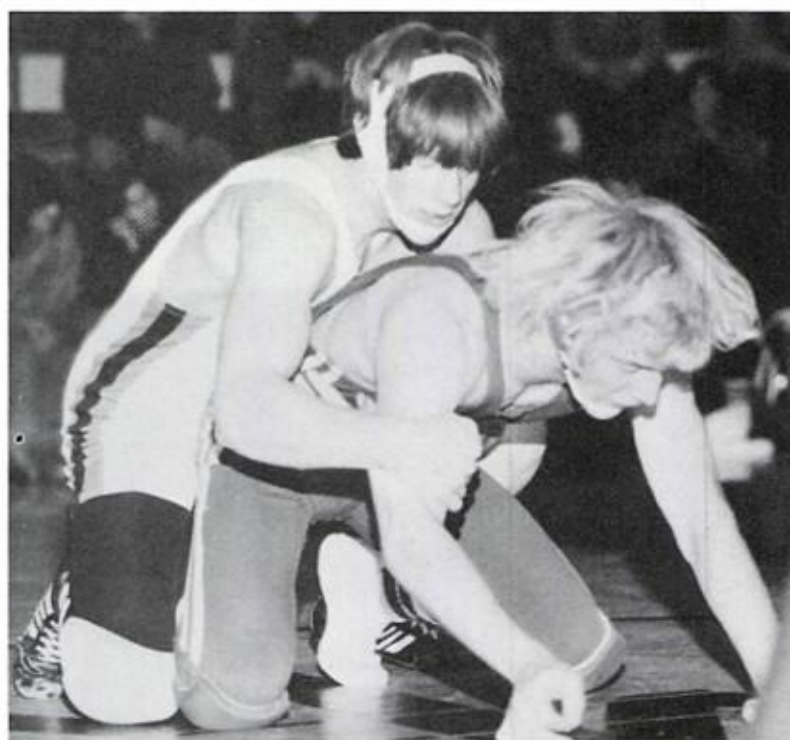

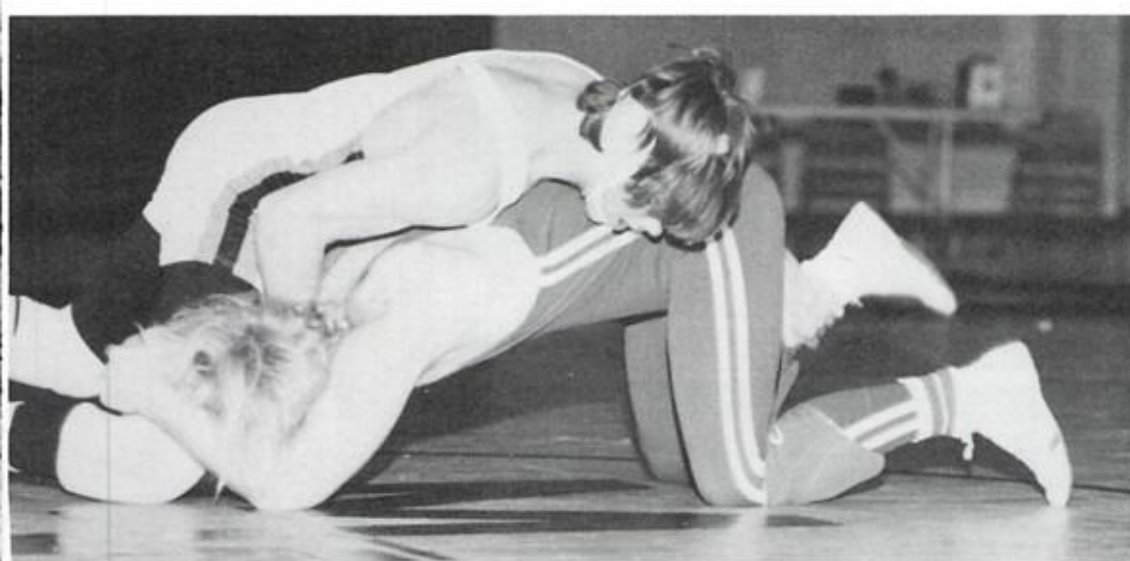

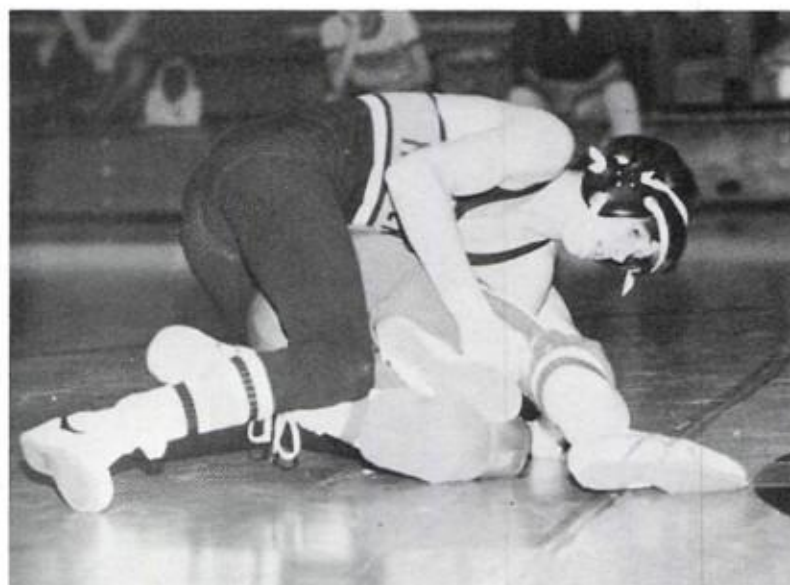

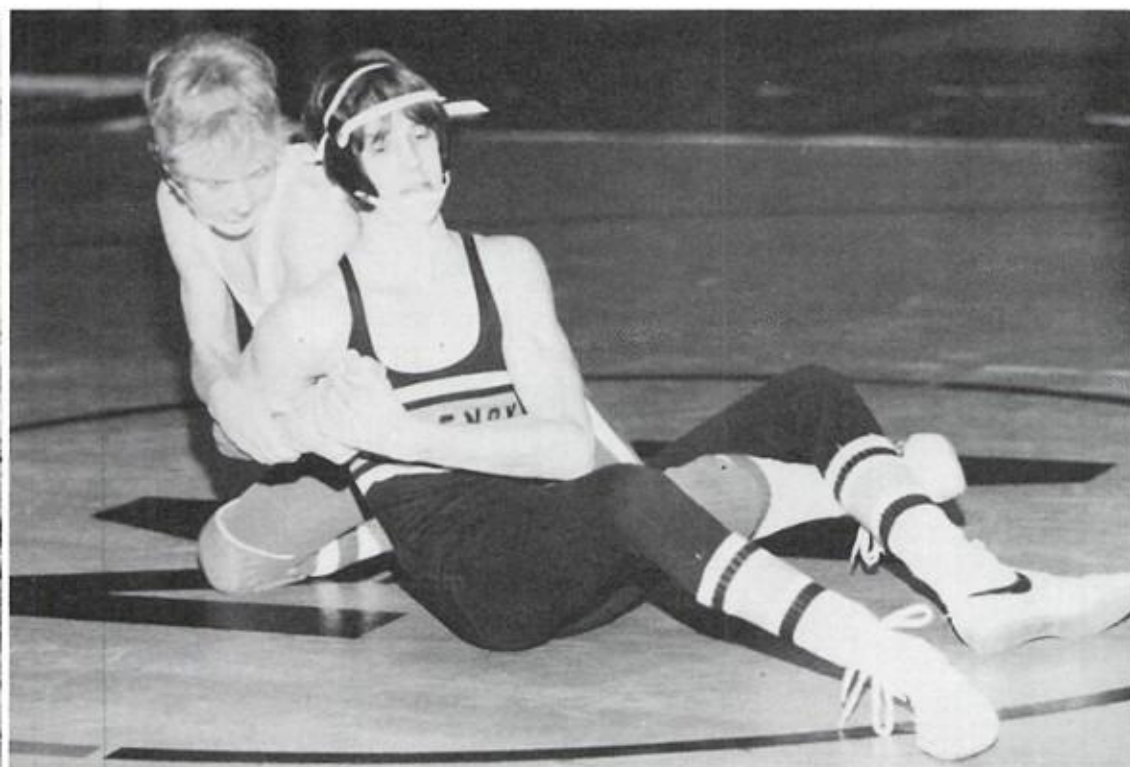

The teams had strength in the areas of coachability, team work and individual pride. Sportsmanship was good, except for a few sore occasions, which as Coach Sobczak explains, were due to their "driving competitiveness".

The teams' only weakness was a lack of players in the upperweights. If those spots can be filled, Varsity and Junior Varsity will be very competitive next year, according to Coach Sobczak.

S P O R T S

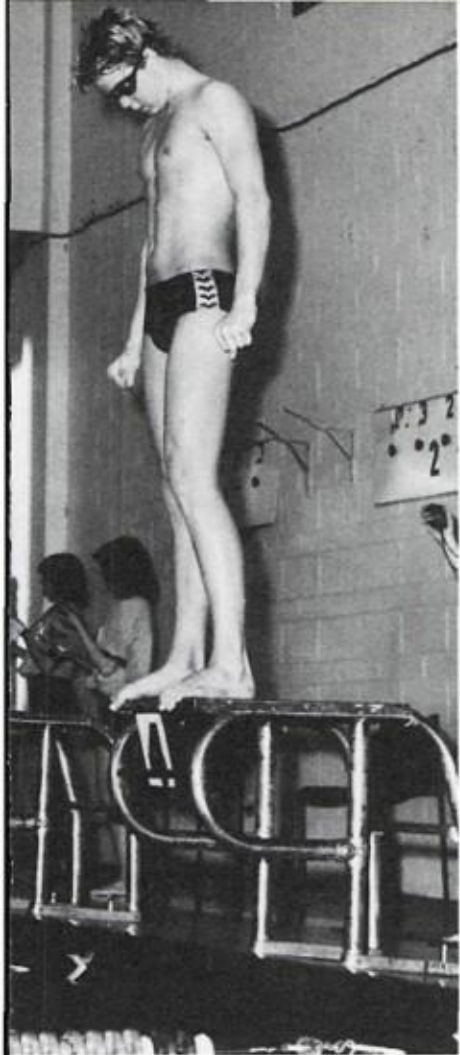

The Varsity Swim Team concluded an exceptional season with a record of 12 wins and 4 losses. During the season, the team broke 8 of the 11 Varsity records and finished 4th in the conference.

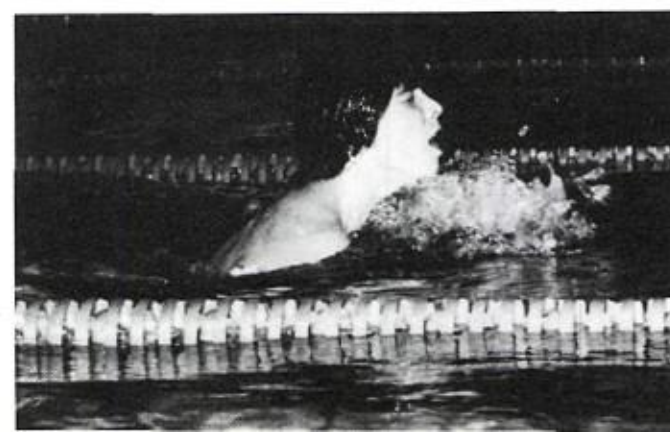

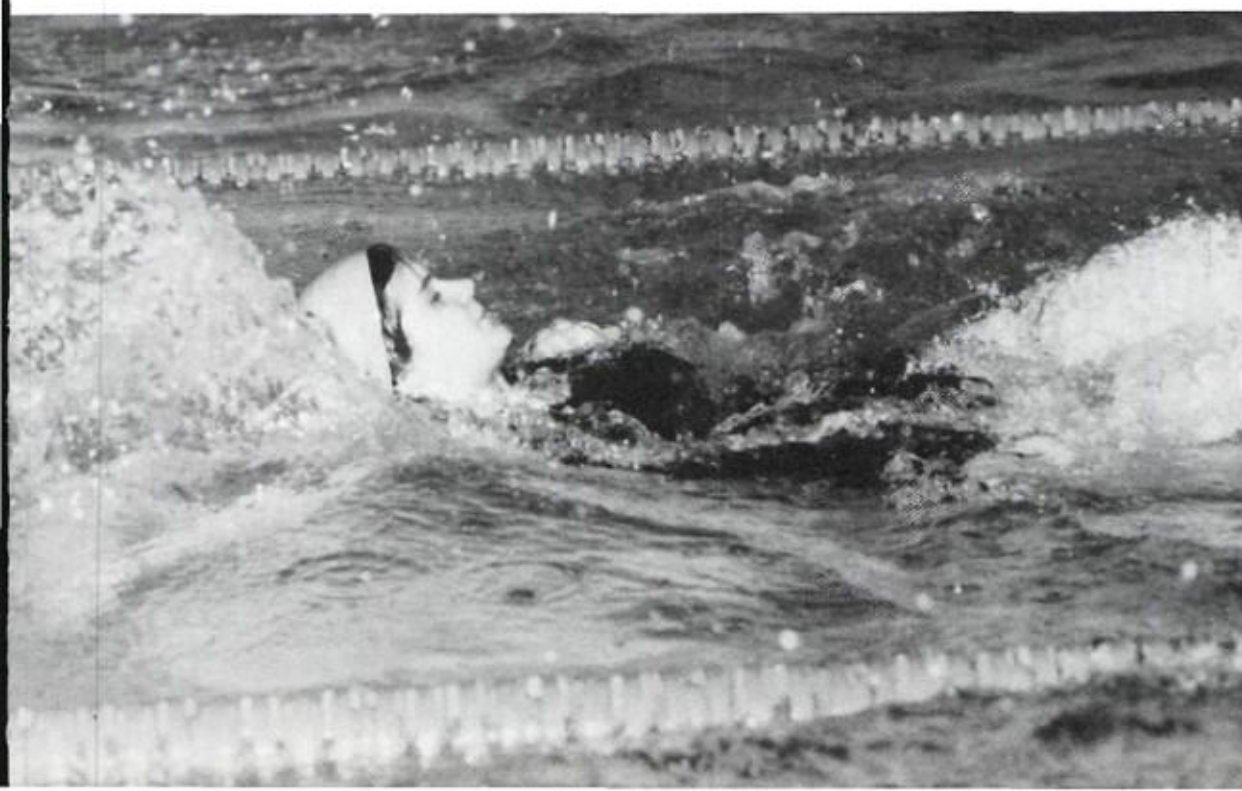

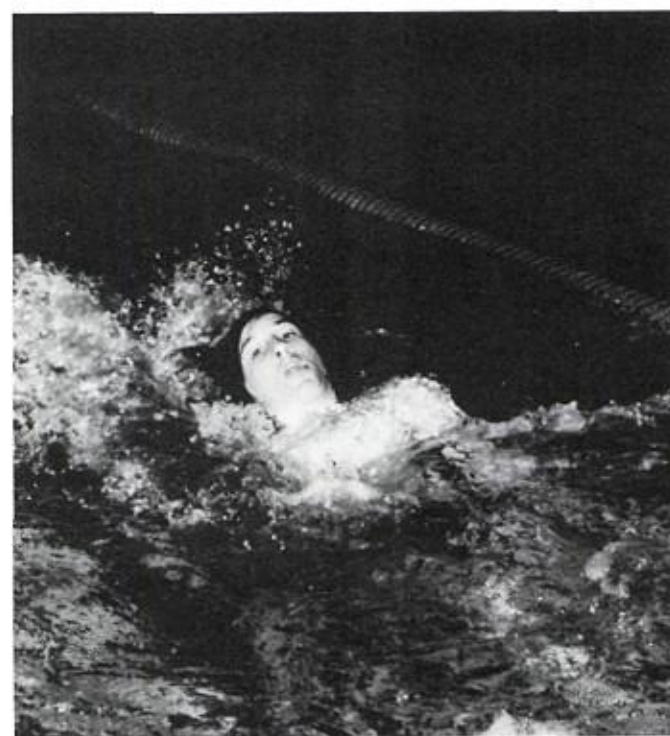

Outstanding individual swimmers included Jim Hall, Senior, who broke five records and Bob Berry, Junior, who broke one.

The only team weakness, according to Coach Shanahan, is the general lack of participation in interscholastic swimming at MCHS. He is concerned because five lettermen will be attending the new high school and another will be graduating. Shanahan feels that this could hurt the team unless there's more participation from students.

One of the big events of the third quarter was the Chicago Bears-Faculty basketball game. As might be expected, the game began with a kickoff and included football warm-ups as well as some familiar football plays.

In spite of their crowd-pleasing antics, the Bears did manage to get down to some serious basketball. Although the score keeper was partial to the McHenry staff, the Bears won it, 86-84.

CHRISTMAS WEEK

Christmas Week at East started in the spirit of the 50's with many girls sporting ankle length skirts and bobbysocks while the boys strutted the halls in straight-legged pants, pointed toed shoes and slicked back hair. The week continued with Hush Day, Funny Hat Day, Grub Day and concluded with the traditional Dress Up Day.

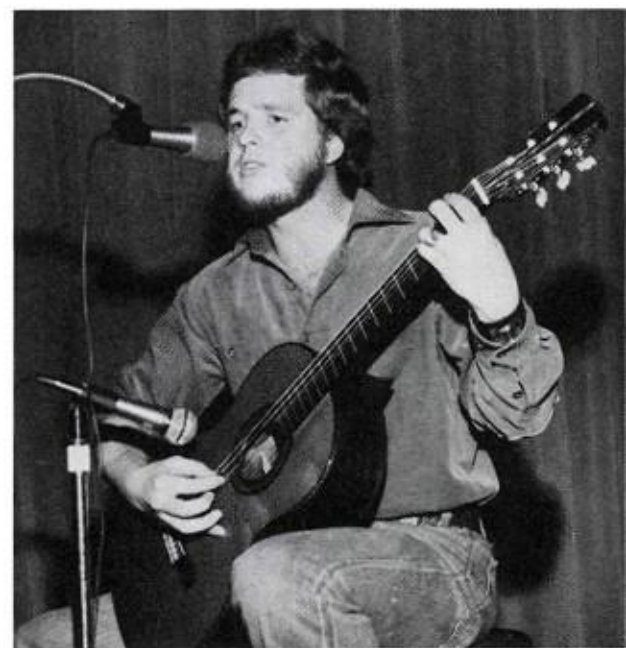

At West Campus, activities went much the same with two exceptions, Clash and Crazy Hair Day allowed some wild and daring personality traits to surface and Famous Moments in History Day brought forth such personages as Aunt Jemima, George Washington and Betsy Ross.

These activities, along with the annual West Campus Talent Show, provide the Afterglow for the 1977-78 Christmas Season.

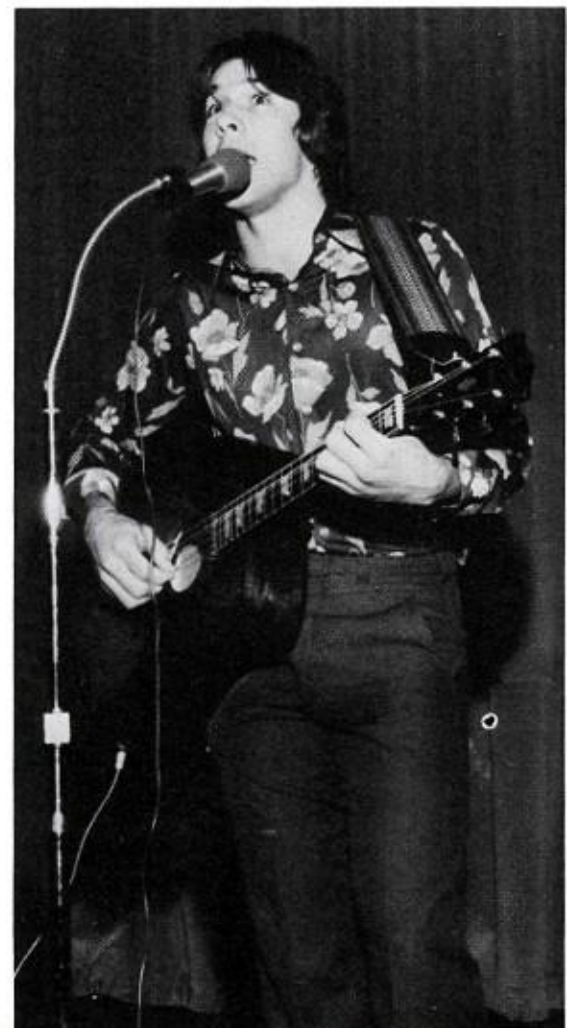

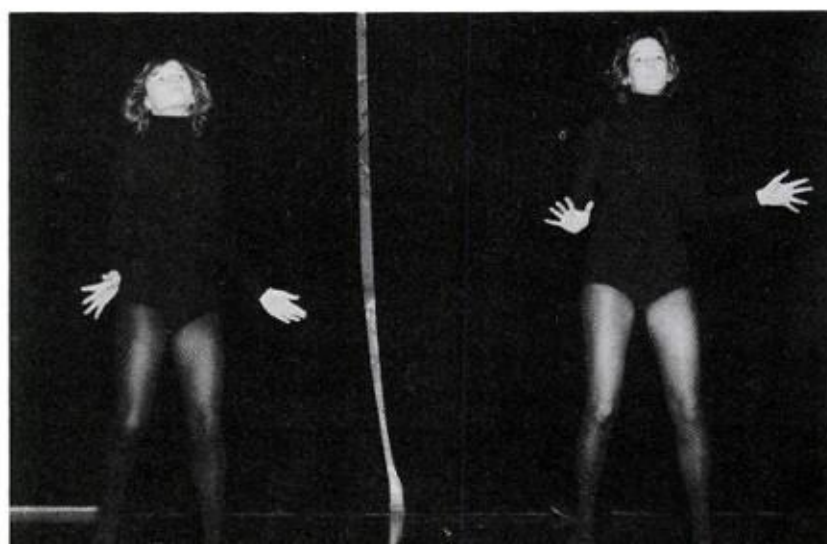

T A L E N T S H O W

In addition to the acts mentioned earlier, "Real Entertainment" included the Beatles, portrayed by John Milinac, Rob Thomas, Craig Butler and Kevin Zimbrick; Tim Hughes performed a magic act; Tierney, Clayton and Holm offered their renditions of songs by Cat Stevens and America. The Grannies were portrayed by Lynn Lupo, Sandy Fuller, Tami Gunder, Judy Vyduna, Shelly Von Breunchehein and pianist, Debi Maris.

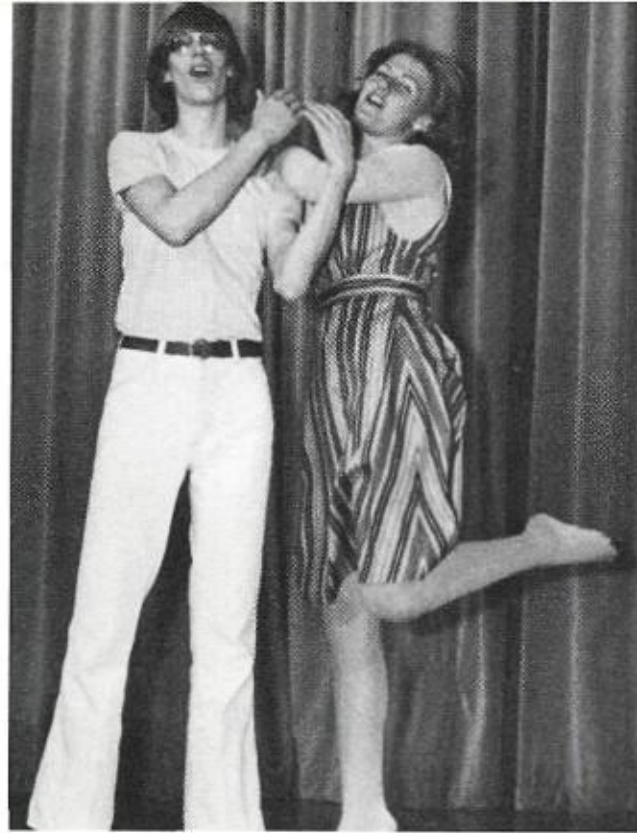

The spotlight was also on interpretive dancers, Chris Salman and Diane Ziemba; the mechanical Dave Lindquist; the cheerleaders and pom-pom squad. Later we listened to more music and song by Sue Van Kegan, Mike Tollifson, Kerry Kuiawa and Jack Slaughter, Dan Russell and Lori Fossum. A Barbershop Quartet consisting of Mr. Blum, Mr. Tierney, Mr. Schmitt and Mr. Clayton concluded this year's Talent Show.

C H I L D R E N S P L A Y

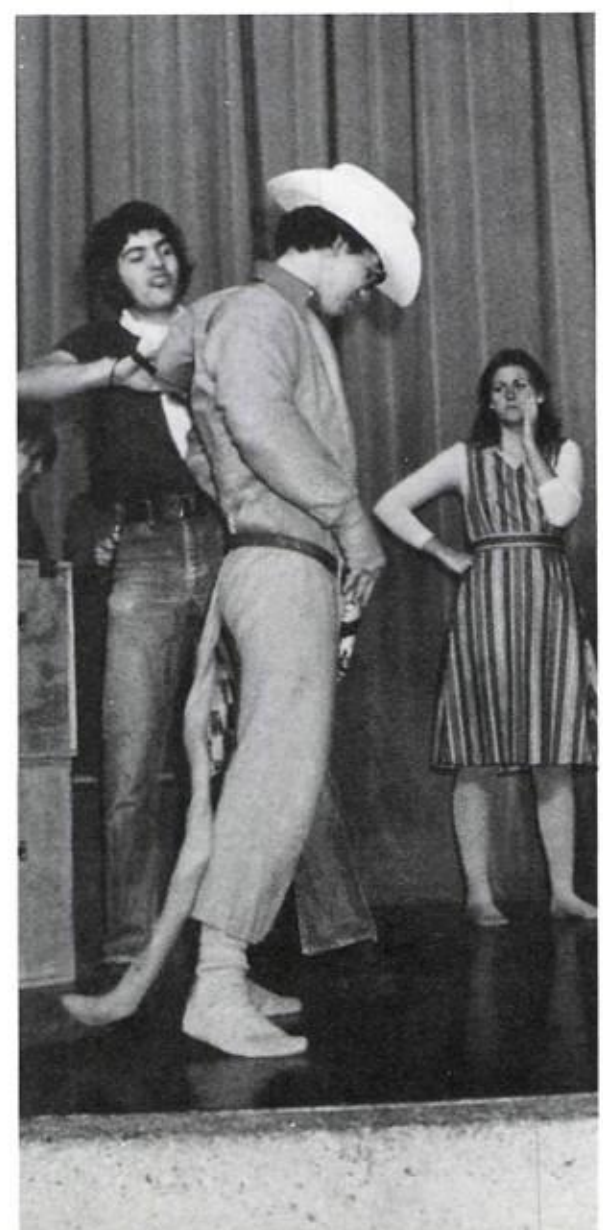

This years Childrens Play, "The Lion Who Wouldn't" tested the imaginations of its young audience.

The unusual production used very little in the way of scenery, props and costumes, but with the help of the actors, the children were able to "see" sets and understand action.

As the story goes, a circus lion decided to quit and become something much bigger. Through trial and error he became a teacher, baseball player, captain, detective and an actor. He finally returned to being a circus lion, because with some encouragement from the children and his attendant, he realized that being a lion was the one thing he could do best.

The cast included John Michel as the lion, and Allen Schneider went as the attendant. The children were Lynn Lupo, Dennis Wilson, Linda Schiller and Don Donovan. Tami Gunder, Sheila Werner, Darren Anderson and Dave Lindquist also performed.

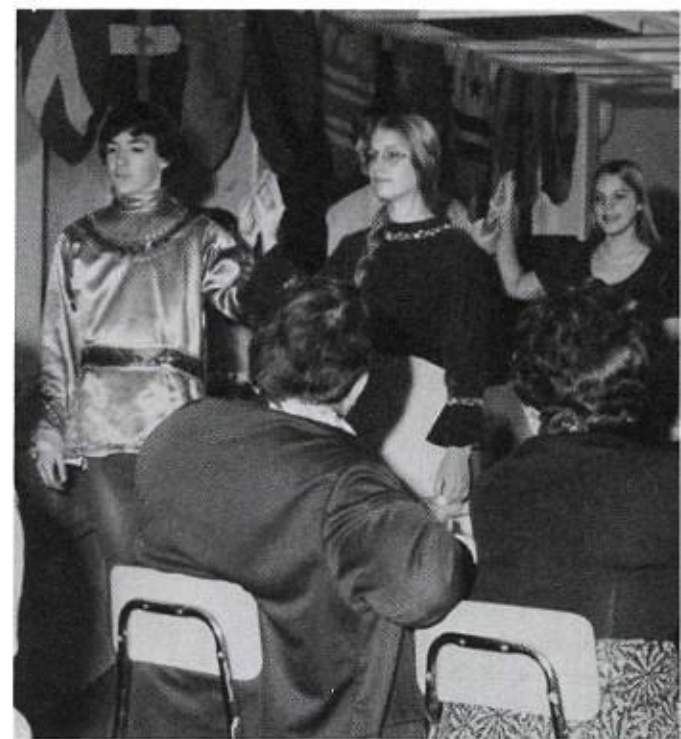

MADRIGALS

Besides having a traditional Madrigal Dinner, the MCHS Swing Choir, known as "West Side Express", performed for different clubs and organizations such as Senior Citizens. They also participated in many concerts and contests. They're a group of about twenty and have worked hard to produce a successful year in music.

Picture at right is Girl's Chorus, Front Row: Shelly Von Bruenchenhein, Barb Ansell, Lori Wilson, Debbie Freeland, Judy Vyduna, Richelle Allen, Judy Ryan, Debbie Maris, Sandi Fuller, Bobbie Spearman, Middle Row: Mr. Leighty, Lynn Lupo, Julie Boeldt, Sue Van Kanegan, Lori Fossum, Debi Welch, Kathy Athern, Linda Alton, Audrey Panning, Lauryn Wernquist, Les Nye, Jan Stetter, Back Row: Sandra Schaw, Charlette Freund, Lora Schiller, Patty Elliott, Linda Durkin, Judy Batdorff, Tammy Johnson, Barb Grant, Kathy Graef, Kathy Smith.

Freshman Baseball Team, Front Row: Dave D'Angelo; John Costigan; Joe Bauml; Ken Collis; Dave Maurer; Bob Greve; Rob Kalck. Second Row: Dave Cermak; John Doesel; Bill Slater; Doug Wickman; Jim Barnas; Bob Zeller. Back Row: Keith Belzer; Randy Walkitch; Rich Adams; Jeff McNish; Bob Bryniarski; Coach Knauer.

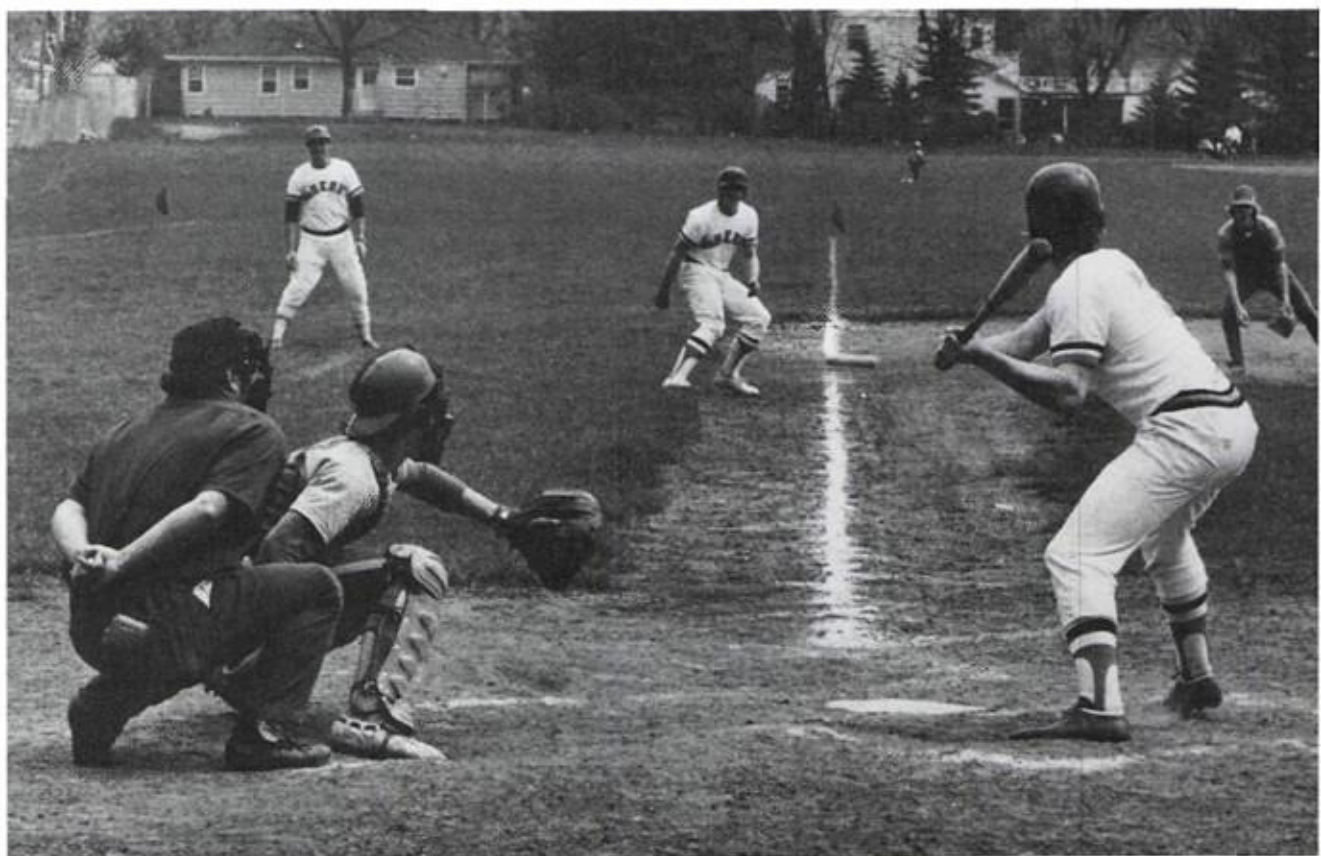

SOPHOMORE

The Freshman baseball team had their ups and downs, but was full of hustle and determination according to Coach Knauer. The most outstanding players were Bob Greve, Dave Maurer, Jeff McNish, Randy Wakitch and Bob Zeller. The strength for the team was defensive agility, but inconsistent hitting resulted in a season record of 8 wins and 13 losses.

The Sophomore team coached by Mr. Luckett, finished the season with a record of 6 wins and 16 losses. The team was unavailable for pictures.

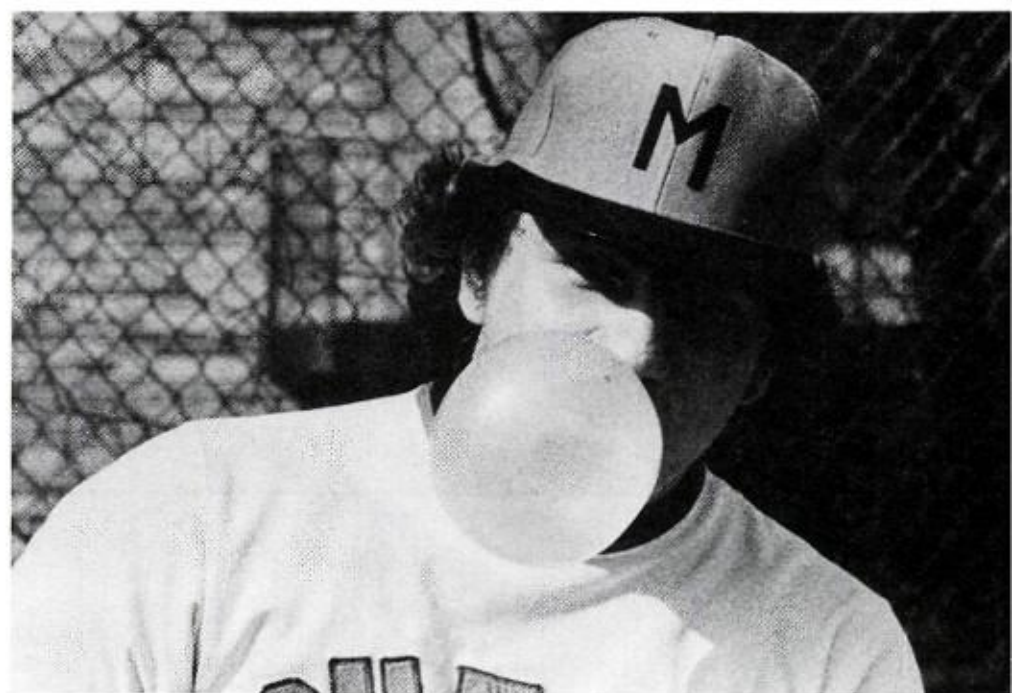

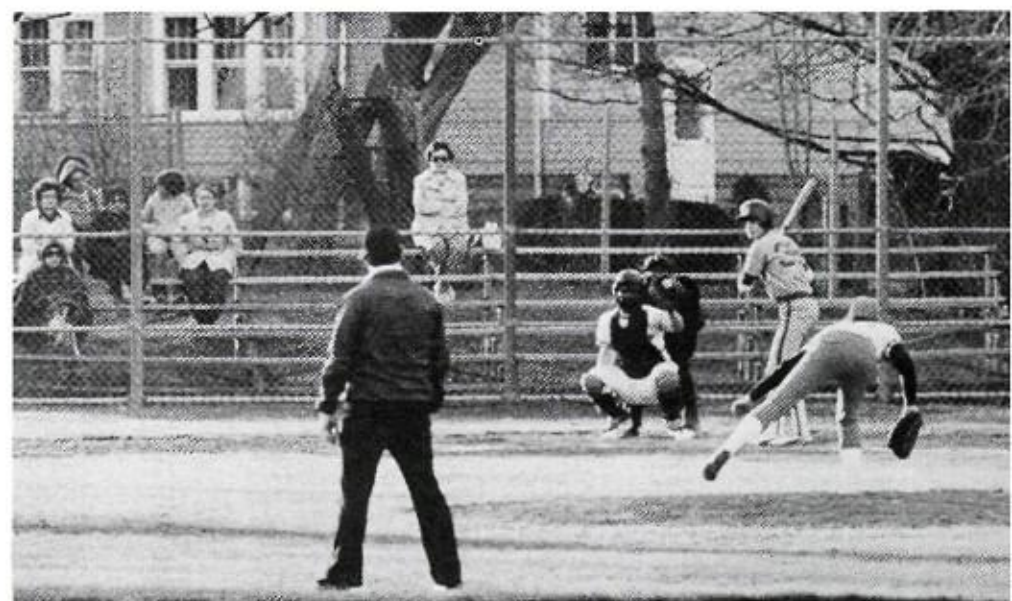

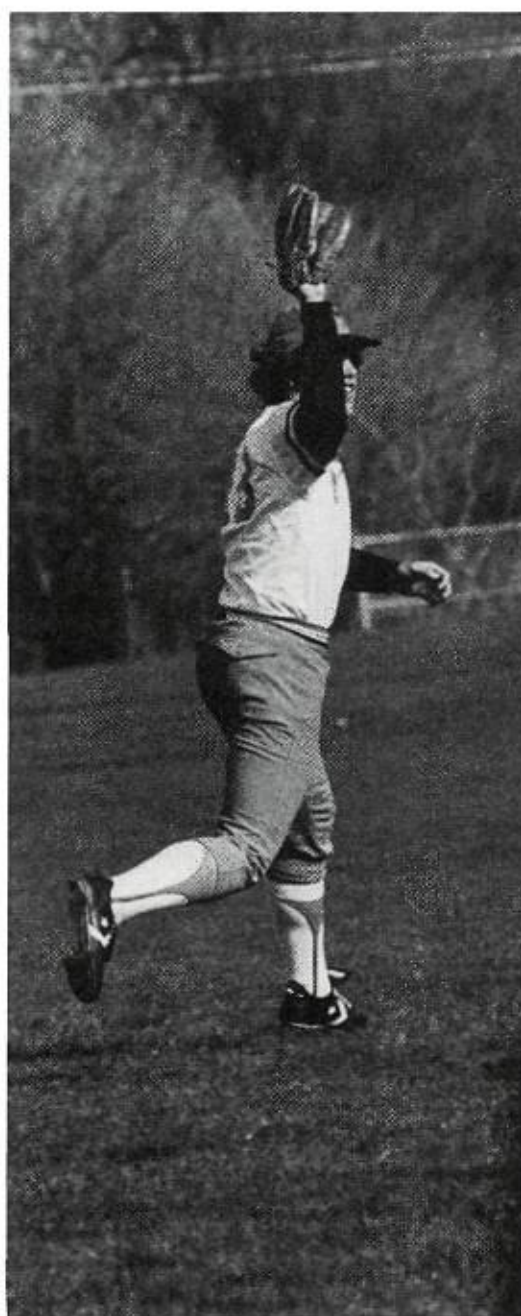

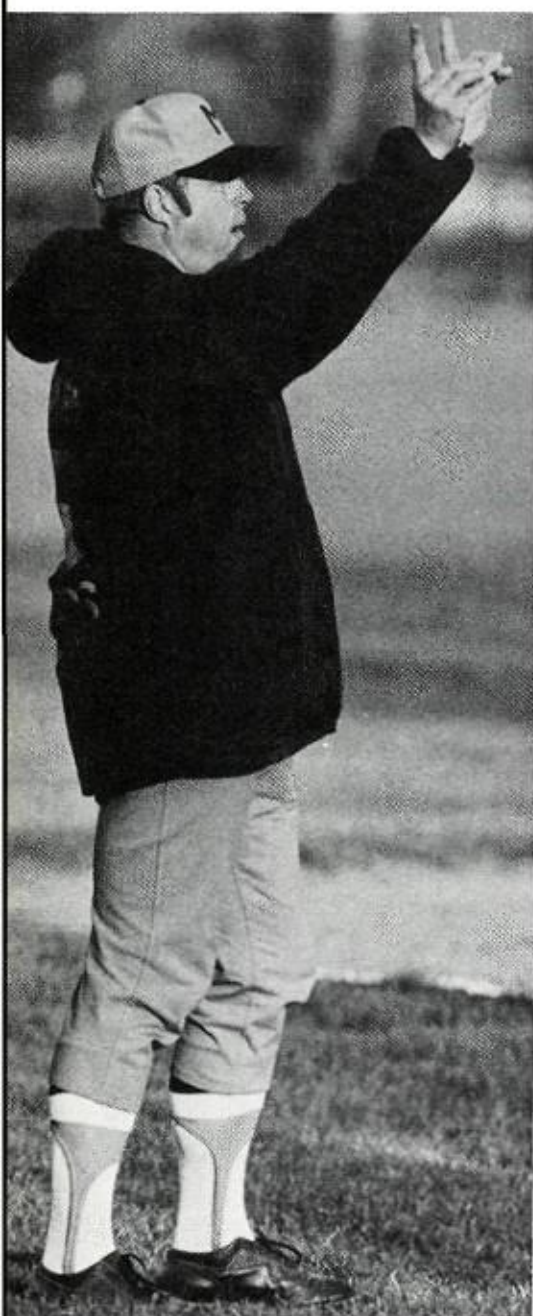

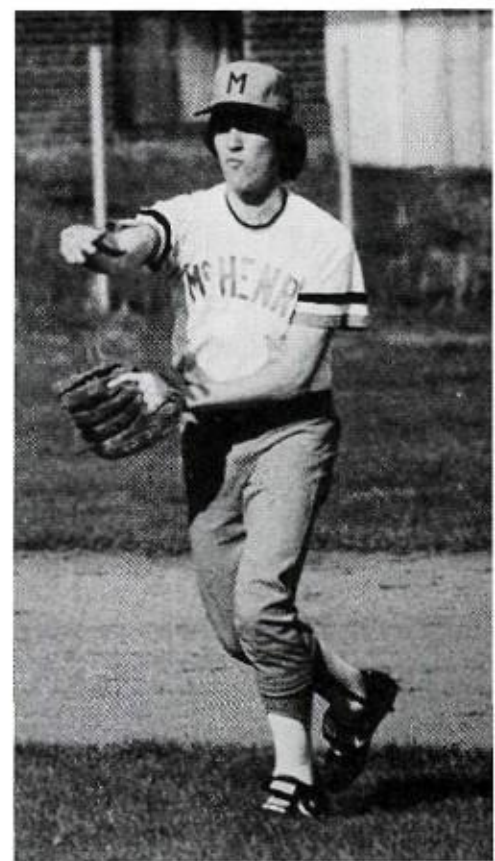

BASEBALL

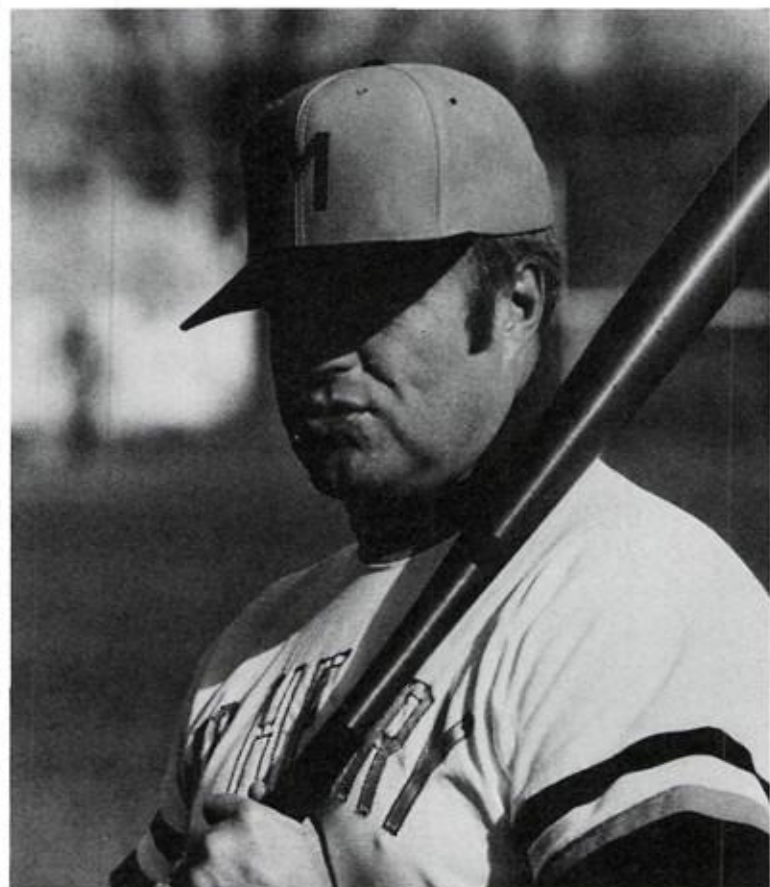

Varsity Baseball, Front Row: Doug Oeffling; Jeff Meyers; Bob Hansen; Brett Thomas; Brian Greve. Second Row: Brian DiBlasi; Mark Zisick; Pete Prust; Hank Glick; Barry Paulsen. Third Row: Earl Cooper, trainer; Don Bentz; Mark Rogers; John Meyers; Mike Mroz; Tim Frantz; Coach Swanson. Back Row: Bennett Mayberry; Bob Sharp; Pat Teuber; Bob Adams; Dave Covalt.

With a final record of 19 wins and 4 losses the Boys Varsity Baseball players were tough competitors. The most memorable game was played at Libertyville, where McHenry won the conference championship. The team had very good hitting, pitching and defense, according to Coach Swanson. Although the coach regrets the loss of pitcher Jeff Meyers for next year, he looks forward to another great season.

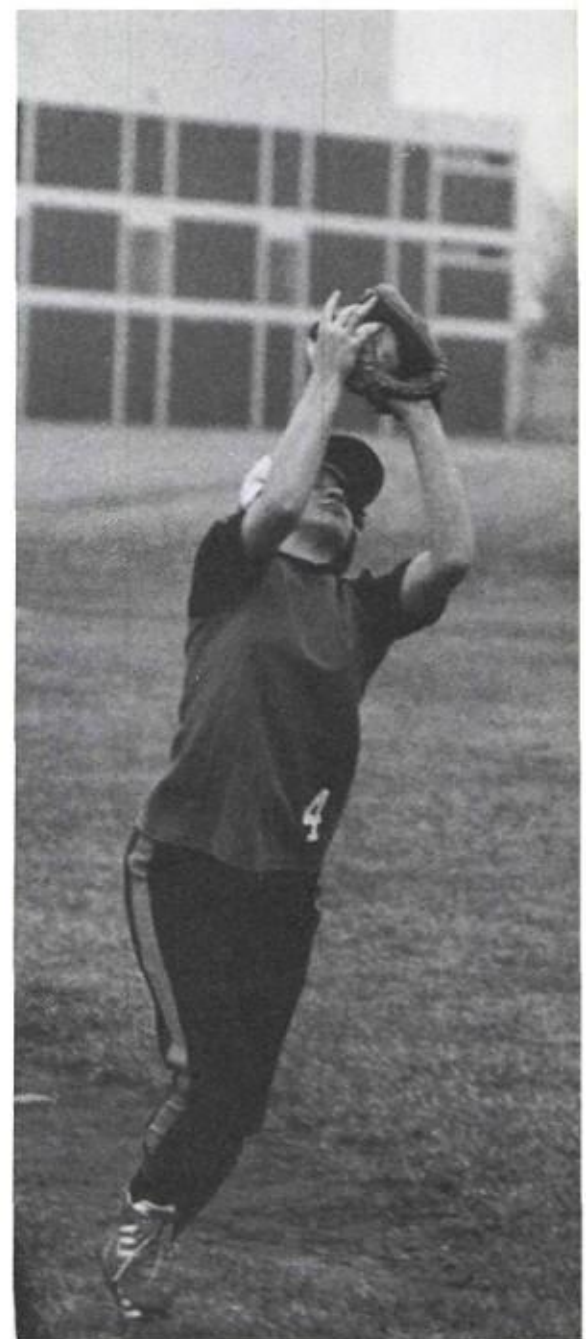

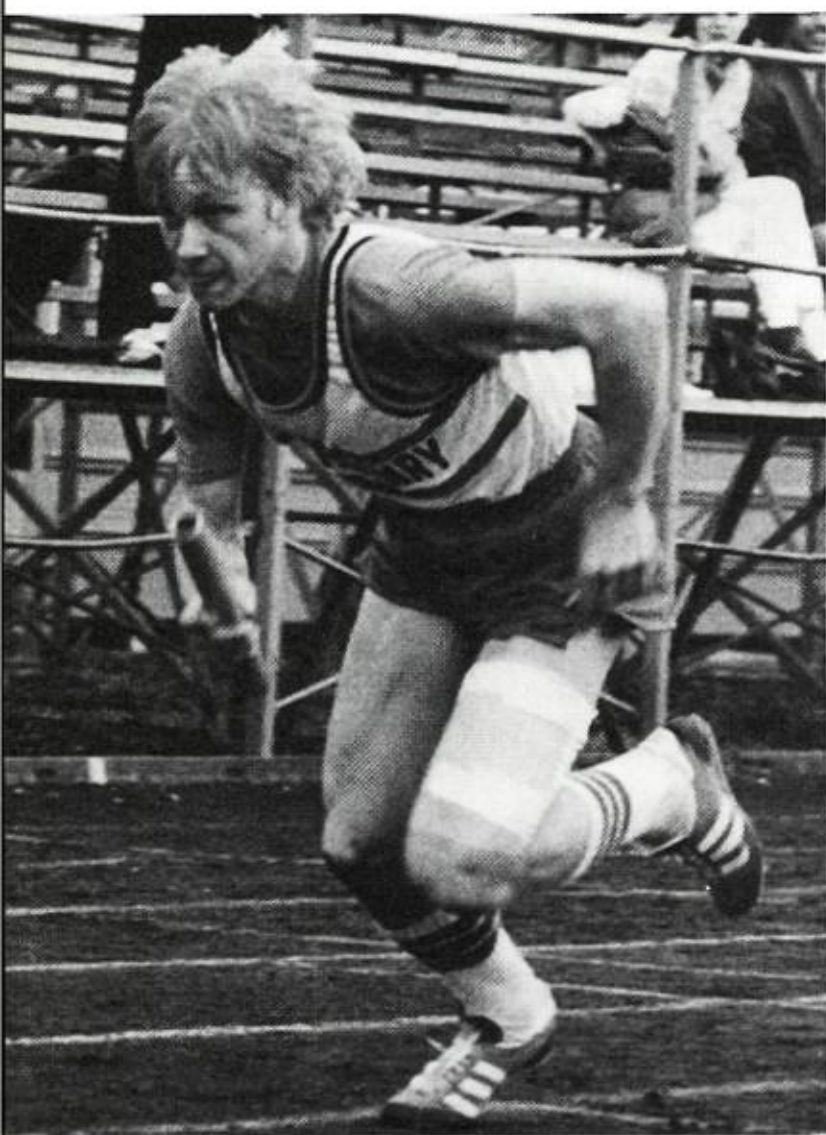

Varsity Softball, Front Row: Liz Raemont; Annette Dercole; Terri Dalton; Debbie Freeland; Chris Connell; Dawn Wilson; Lora Jacobs. Back Row: Manager Pam Wroblewski; Nancy Glick; Sharon Smith; Cathy Lauer; Pat Chappel; Vici Switzer; Coach Mrs. Osterman.

Not Pictured: Mike Szumalas; Mike Williams.

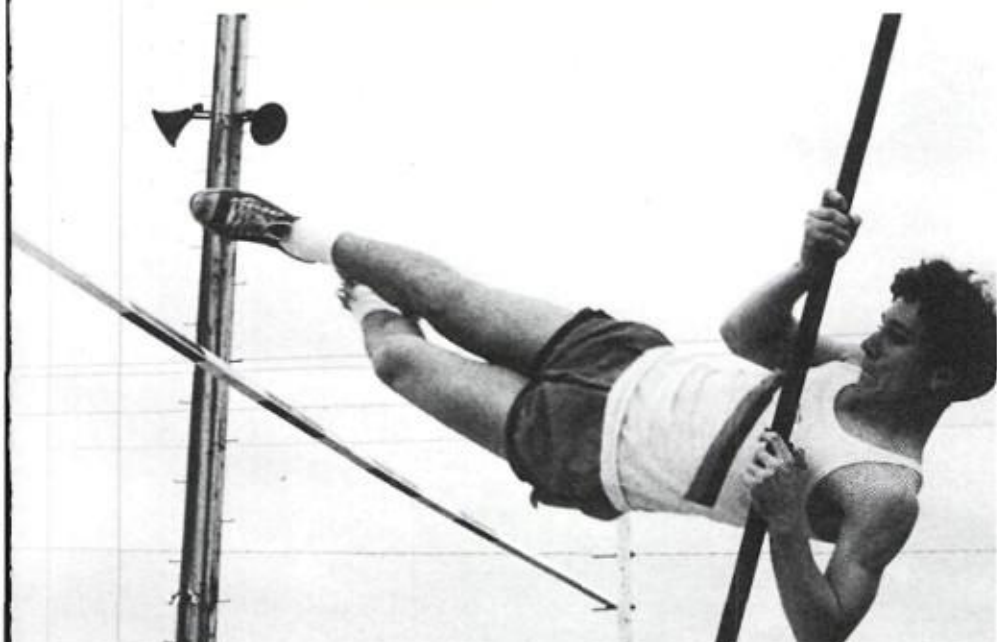

The Boys' Track team had a fairly successful year, said Mr. Boland, head coach. The team worked well together, showed good sportsmanship and was generally dedicated. The team also had good distance runners, long jumpers and weight men. Coach Boland said that the team showed a good attitude, which is usually not developing easily. An additional strength, leadership, resulted from the abundance of seniors on the team. The greatest weakness shared by the team was its lack of participants. The weather didn't help either. Coach Boland expects that the team won't do as well next year, but added that one of McHenry's better freshman teams is coming up. "It's not like the team wins or the team loses . . . you can have sparkling individual performances."

TRACK

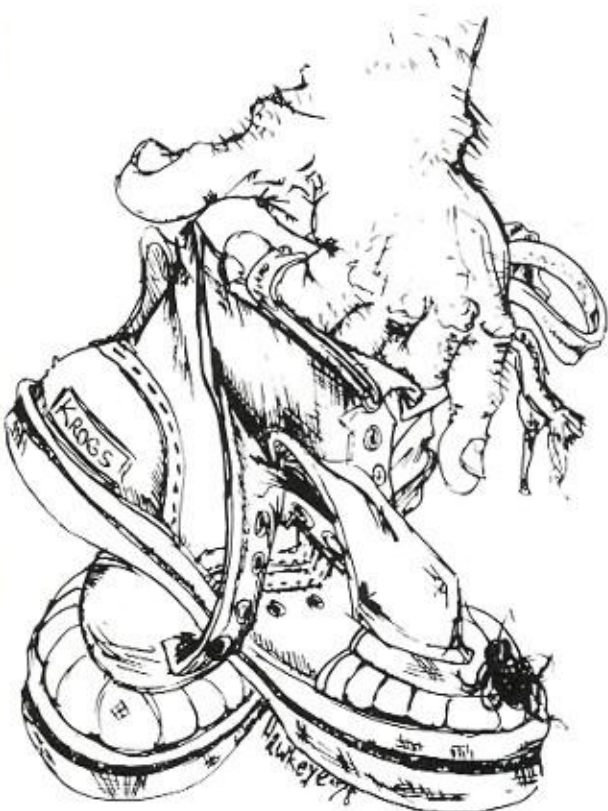

Junior Varsity Track Team, Front Row: Jim Flood, Gerry Baczowski; Dana Scheib; Pat Ferbrache; Ernie Norquist; Mark Scheib; Randy Wright; Brian Werbler. Second Row: Ray Giagnoni; Horacio Fernandez; Ed Hughes; Brad Bonato; Bob Panning; Dave Sadowski. Third Row: Bob Vail; John Hickey; Keith Schaeffer; Tony Woo; Dave Ramer; Jack Marinich; Jim Hendricks. Fourth Row: Earl Kyle, coach; Wayne Besserud; Gary Parsons; Pete Ritthaler; Dave Yurevich; Sean Haley; Nelson Roltsch. Fifth Row: Chris Dixon; Brian Wilson, coach.

TRACK

"This years' girls' track team was a young team with a lot of enthusiasm", said Coach Schaffer. The team was small, only twenty members, while opponents had from 50 to 100 people. "The kids we did have, though, were excellent", reminded Coach Schaffer. "They never gave up no matter what the score was or who they were running against. They improved at each meet." Key players were Carrie Mortell, Sue Moulis, Diane Peterson, Sue Hutchinson and Judy Honning.

"Our only weakness was a lack of players", said Coach Schaffer. Their goal, like that of every good team is to get more members!

Girls Track, Left to Right, Front Row: Liz Stoffel; Sue Moulis; Cheryl Patzke; Laura Kottke. Second Row: Marla Warren; Sharon Schau; Inge Dschida; Carrie Mortell; Sue Haddick; Rocky Reich. Third Row: Pat Nielsen; Teresa Deveikis; Lee Bryan; Sue Hutchinson; Terri D'Angelo; Diane Peterson; Gigi Smith. Back Row: Deanna Davis; Coach Shaffer; Coach Bradford.

TENNIS

The Varsity Tennis Team completed this year's season with a record of 17-6. The boys seemed to have good balance and depth, but more importantly, they had good attitudes and enjoyed the game. Outstanding players were Phil Kent (Senior) and Tim Sabatka (Sophomore).

Although the team will lose seven players for next year, Coach Grey expects to have another successful season.

Placing 1st in the McHenry Invitational Tennis Match and ending the season with a record of 14 wins and 9 losses, the Frosh-Soph Tennis Team had a very respectable season. According to Coach Scott, "the main strength was the depth as a team and a positive attitude." Coach Scott commended the team and identified Bob Bittermann, John Partenheimer, Butch Pintozzi, Dan Czerwonky and Jeff Rhode as outstanding players for the 77-78 season.

Varsity Tennis, Front Row: Paul Bazan; Rich Backs; Tim Sabatka. Back Row: Mike Gende; Rich Sund; Glen Mahling; Phil Kent; Jim Althoff; Steve Williams; Coach Grey.

This years Musical was the colorful production of Oliver. Together with music, dance and song Oliver seemed to make his way through London with care and a touch of humor.

Oliver opens in an orphanage with Mr. Bumble and the other orphans, and the young boy soon earns his reputation when he does the unmentionable and asks for more food. Mr. Bumble decides to send him away and takes him to Mr. and Mrs. Sowerberry's home. There Oliver is sold for 5 pounds and educated to be an undertaker like Mr. Sowerberry.

But Oliver doesn't take to well to the eerie setting, leaves, and is taken in by Mr. Fagan and his boys. There he learns to be a pick-pocket and becomes quite popular with the rest of the kids, especially a girl named Nancy. She finds out about his past and the missing link between he and his family, and helps him to get back to his grandparents for a happy ending!

MUSICAL - 1978

While dominated by sensitive songs and creative dances, the 1978 Variety Show satirized the day to day happenings of a high school split by the unexpected.

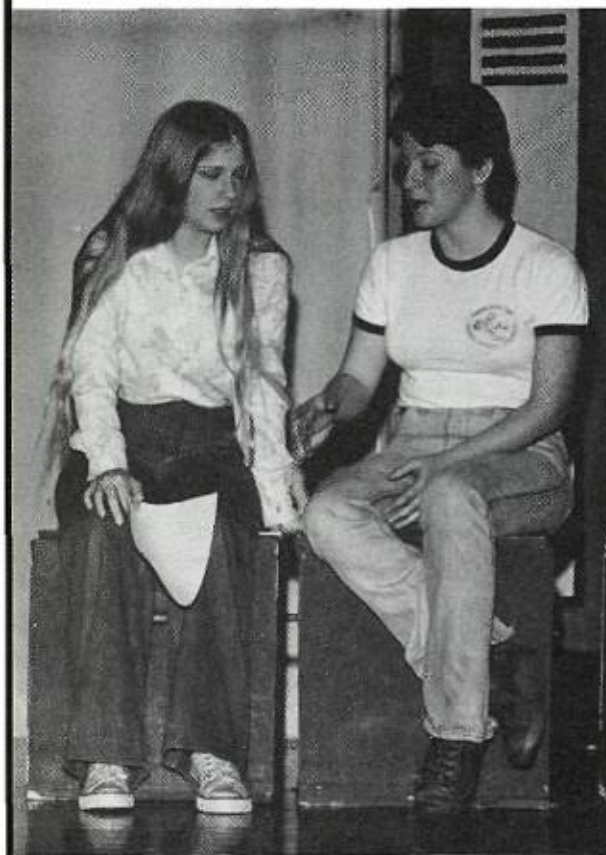

Although some felt it more than others, no student, teacher, administrator or school board member could avoid being affected by the changes that took place in this fictional story, conceived and written by Mr. Stanowski, Mr. Zawacki and some cast members.

This was the first year that the Variety Show included students from both East and West campus. The soundtrack was provided by the East Campus Stage Band, under the direction of Mr. Bill Toalson.

MCHS held its Third Annual Drama- Debate-Speech Banquet to honor outstanding students in forensics.

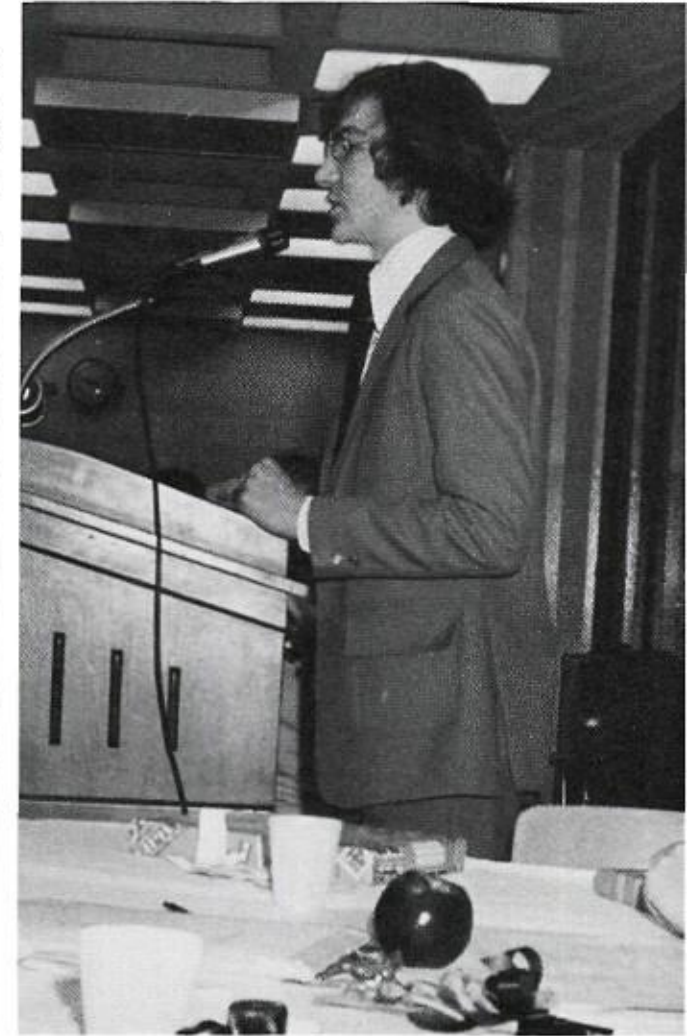

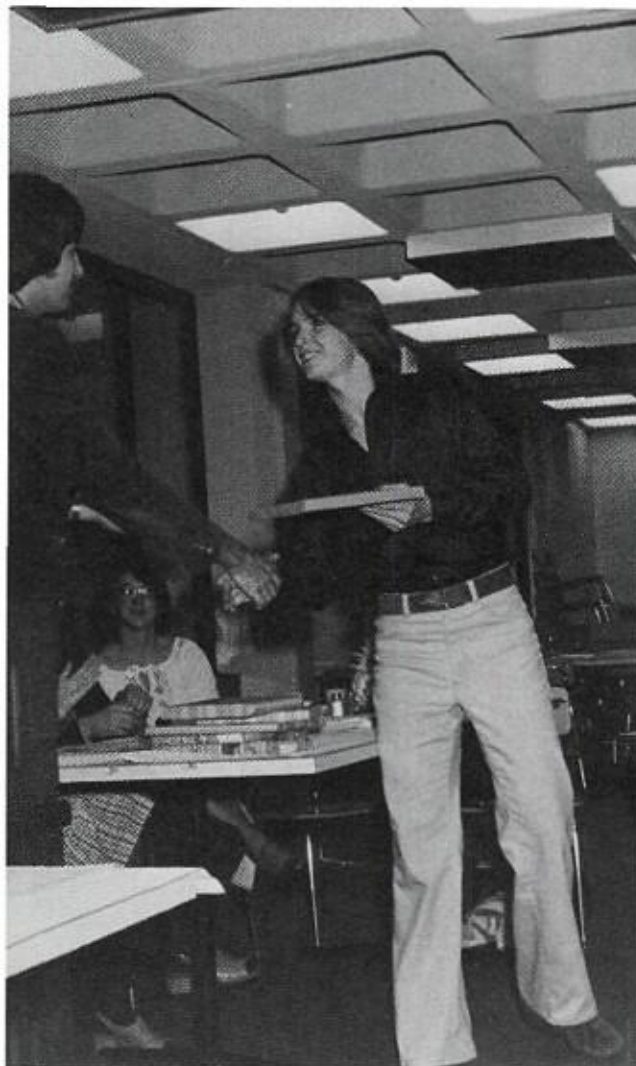

Accepting the honors for best actor and actress for their performances in "Oliver" were Tim Cornwell and Laura Higgins. The awards for best supporting actor and actress went to Peter Bender and Lori Fossum. Lori Robertson and Brad Smith shared honors for the East Campus fall play, "Anybody Out There". Lori's award recognized her as Best Performer and Brad was named Most Promising New Comer.

In the lighting and technical area of theatre, Miss Sandra Bonde presented Julie Brooks a special award for her work behind the scenes.

In the area of debate, Derek Gilbert and Ruth Snyder were recognized for earning the highest possible speaker points for 77-78. Each debated more than 28 rounds.

Honored for their speech team efforts were Tim Cornwell and Peter Bender. In addition presentations of contest work were given by Steve Parisi and Lynn Lupo, who performed a humorous duet "Love is a Time of Day".

D/D/SBANQUET

Once again, MCHS honored its outstanding students at the National Honor Society Installation Banquet.

All Juniors and Seniors with grade point averages of at least 3.0 are eligible and the faculty then ranks this group on the basis of character, leadership and service. Only the top 15 percent of the Seniors and the top 5 percent of the Juniors are then named members of this select group.

N.H.S. BANQUET

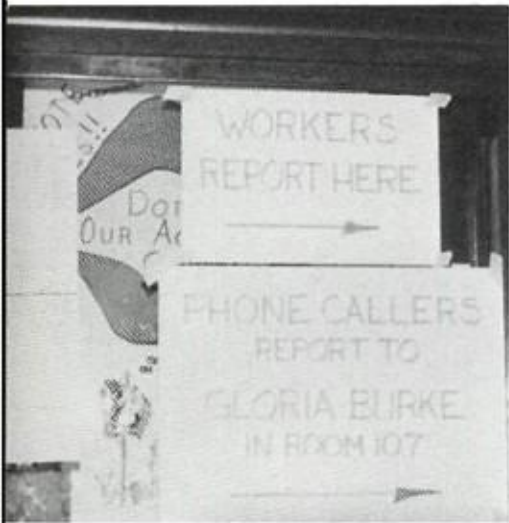

REF-R-N-DUMB

by Linda Senn

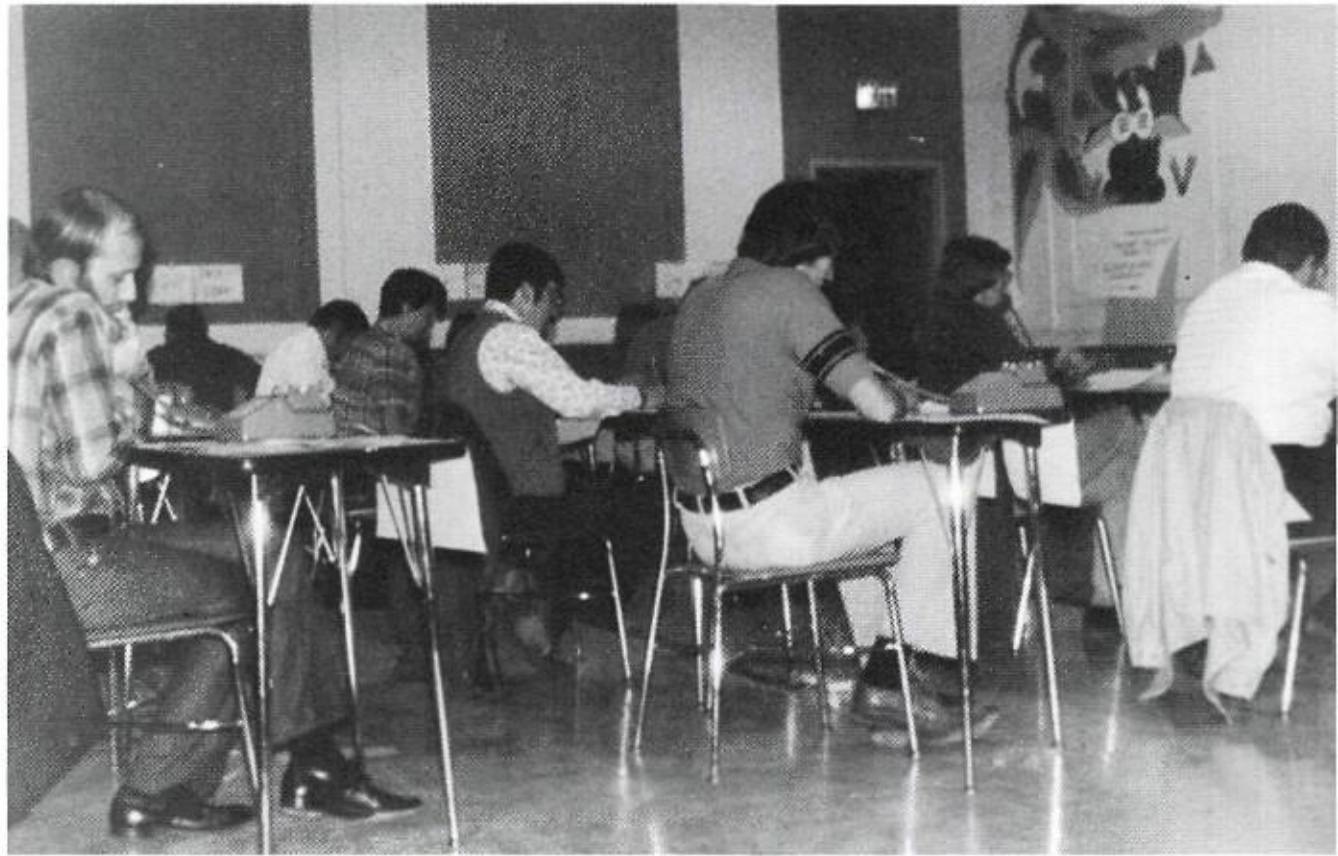

Early this year, after Johnsbury officials decided to build a new high school, the long, hard and tiring campaigns to save quality education began.

Months before the polls opened, plans for a first referendum were in progress. The referendums' purpose was to give citizens a chance to vote for a tax increase which would be used to maintain the present quality of education at both East and West Campus. This included, specifically, a 40 increase in the Education Fund and a 15 increase in the Building Operation and Maintenance Fund. Committees formed for and against the increase and began campaigning. Weeks before October 22, both committees published several articles and pamphlets promoting their

arguments. The "yes" committees explained that if the school was not given the money, it would completely destroy quality of education. Their position rested on three arguments: 1) many teachers would be eliminated; 2) all sports would perish; 3) course selection would be severely limited. The "no" committees rejected the information published by the "yes" committee and set forth their own findings. As October 22 approached rapidly both committees used the telephone extensively to explain and promote their arguments. This continued through that rainy Saturday afternoon when the future of District 156 was decided for the FIRST time. Approximately forty-three per cent of the 4,100 ballots cast supported the "yes" committee. The result was dumb.

The future of District 156 was decided for the **SECOND** time by the defeat of the December 23 referendum. Unlike the first one, this referendum sacrificed the 40¢ increase in the Education Fund in the hope of gaining the 15¢ for the Building Operation and Maintenance Fund. This is the fund established to pay for utility costs and custodial assistance. This time the yes vote was a mere 32% of the 2338 ballots cast. This result, too, was dumb.

The future of District 156 was decided for the **THIRD** time on April 8, 1978. Seeing that community support was not there for a 2-2 system of education, the District 156 "yes" committee had launched a campaign for one 4 year school. This referendum, being totally different than the first two, proposed an addition to West Campus at the cost of \$2.1 million and was contingent on the sale of East Campus to the hospital in

McHenry. The "yes" committee stated that this plan would eliminate many of the duplicated costs inherent in the 2-2 system and added that a 4 year high school is more educationally sound. They also noted that the plan called for increased vocational facilities which are "critically" needed for students. Once again, the yes committee drew only about 42% of the vote. This was truly a ref-r-n-dumb.

Next year, McHenry High School will run essentially as it has always run, with a few exceptions. Due to failure of the three referendum we can all expect fewer teachers, fewer administrators, fewer counselors, fewer coaches, fewer secretaries, fewer aids, fewer courses, fewer programs, fewer summer activities, and to crown all, there's always the possibility of overcrowded classrooms.

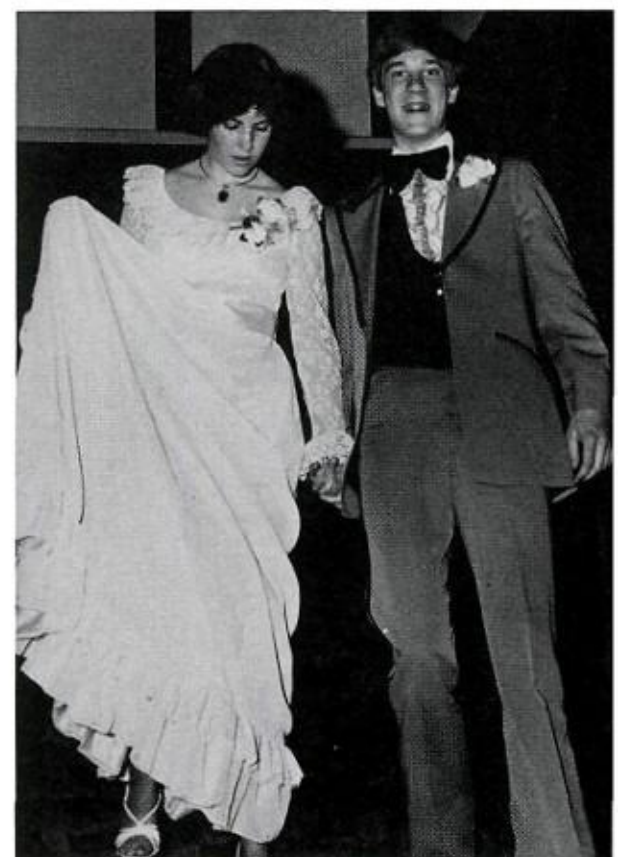

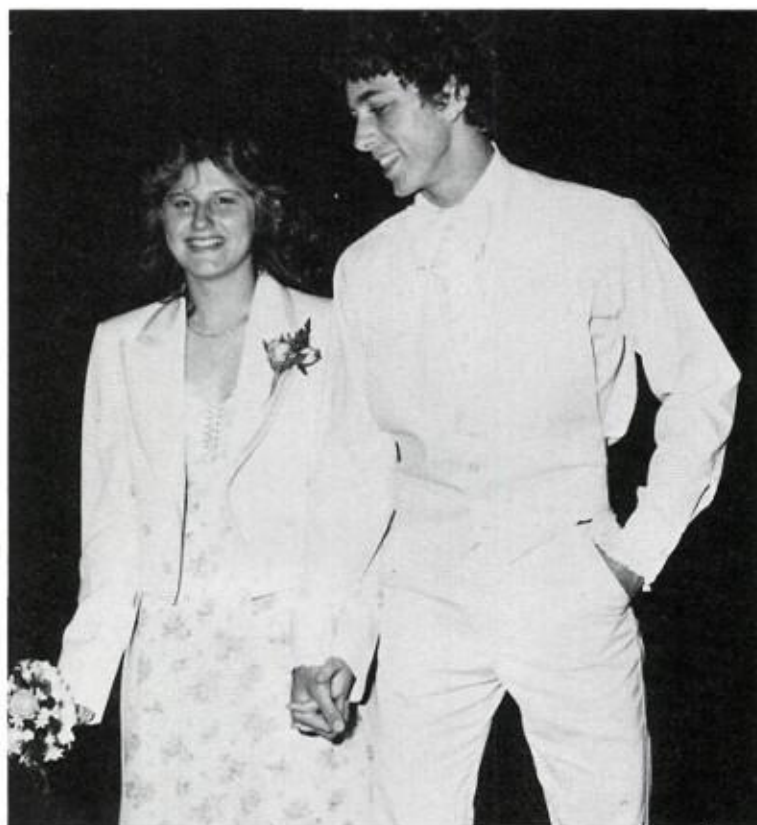

This article is based on fact. The opinions expressed are not necessarily those of District 156.

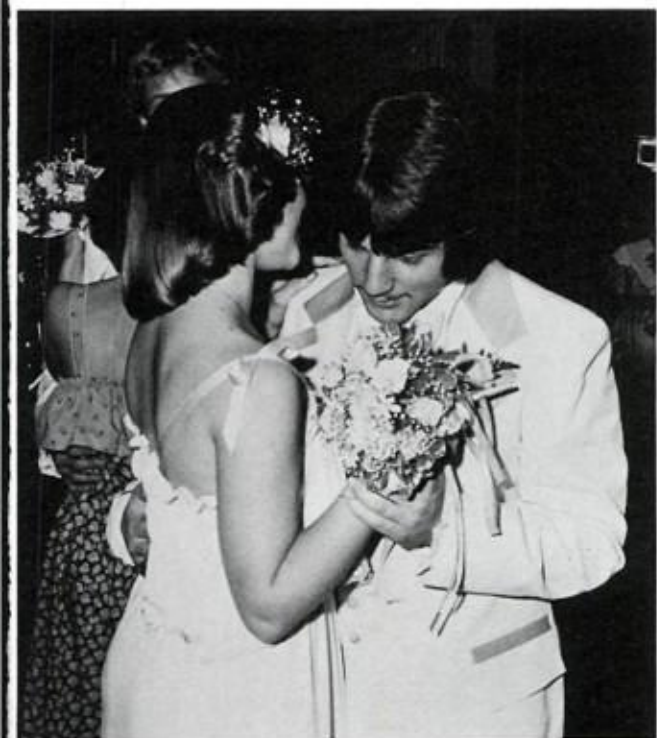

PIECES OF APRIL

A chilly, quiet evening at the Burlingshire Resort set the scene for "Pieces of April", The 1978 prom.

The evening began with a prime rib dinner, which was followed by the formal dance, where Doug Oeffling and Lori Fossum were crowned as prom royalty. Following the formal dance we were amazed by magic, changed from formal to casual clothes and rocked until 4 A.M. to the music of "Sound Investment."

Pinball and swimming were made available at the prom for those who were too tired to continue dancing. Just before breakfast, cartoons and movies, featuring Marx Brother and Monty Python concluded the entertainment.

Throughout the evening dreams came true and memories not to be forgotten were . . . "A feeling that we both shared, and a love that we called ours."

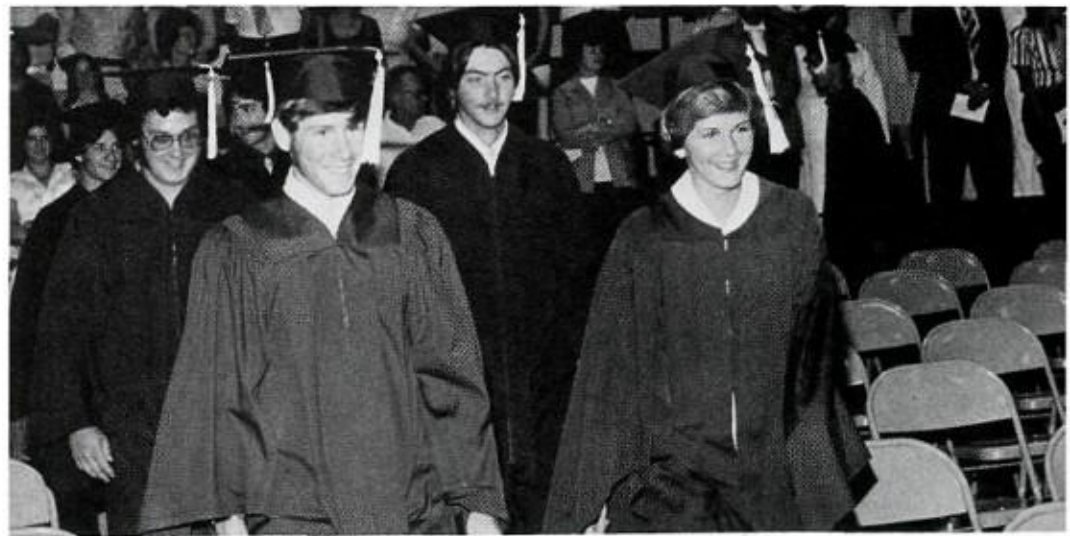

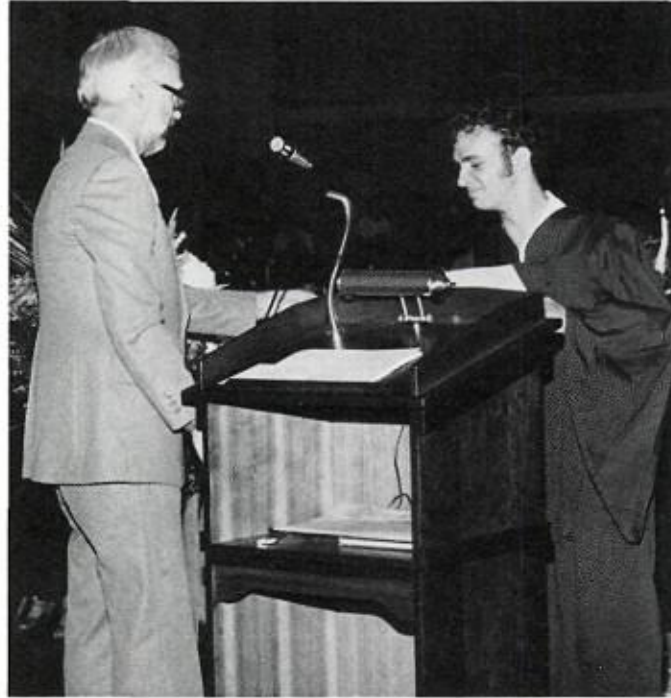

PROM-1978

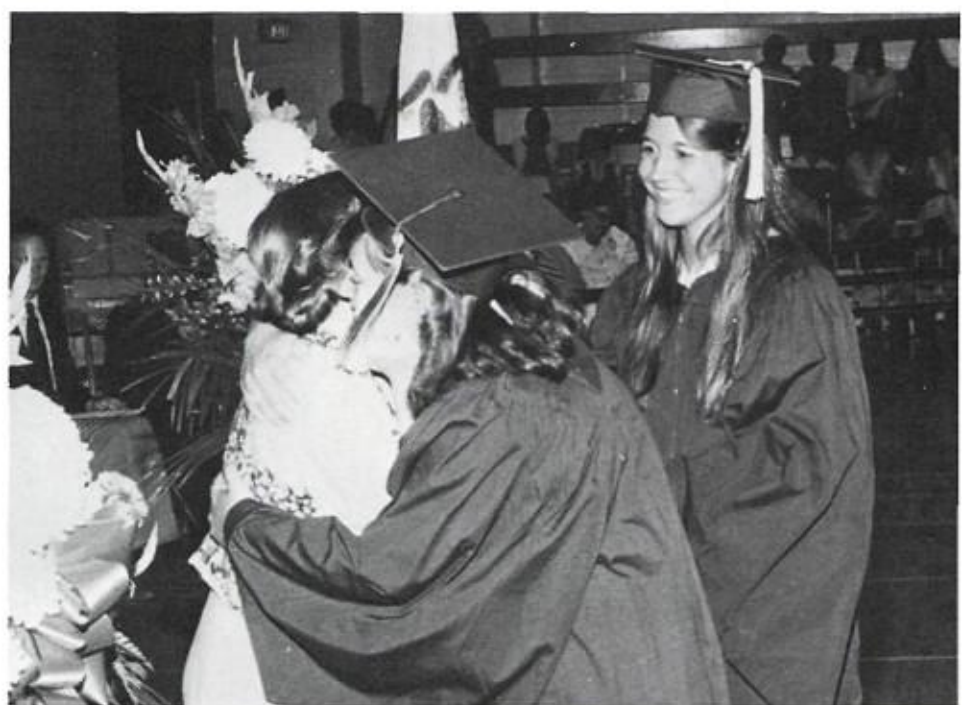

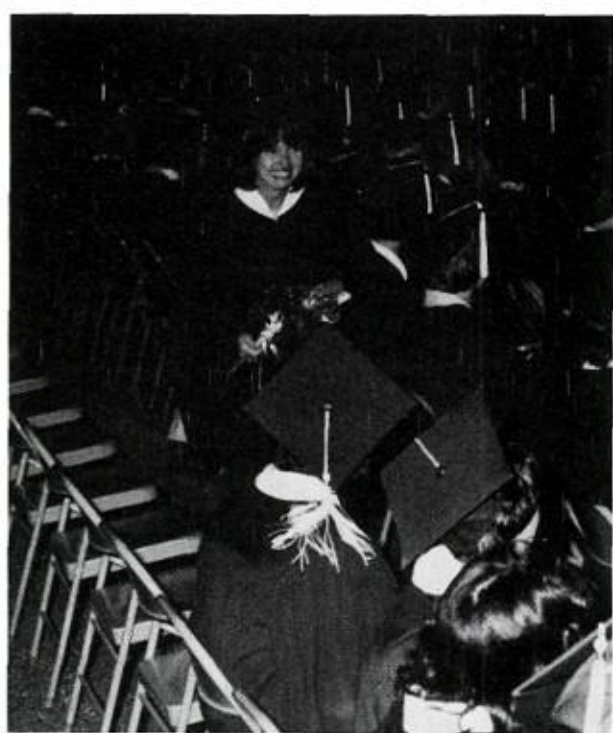

This year's class Tribute, held at the Buckner Gymnasium, was split into two sets of awards. The first set included National Honor Society, Illinois State Scholars and A.F.S. Student Scholarships. The second set included perfect attendance money scholarships and awards by band and chorus organizations.

Some of the speakers at Tribute included: Mr. Gregory Johnson, principal; Wendy Young, vice president; Lori Conway, secretary; and Tim Byers, senior class treasurer.

Tribute-1978

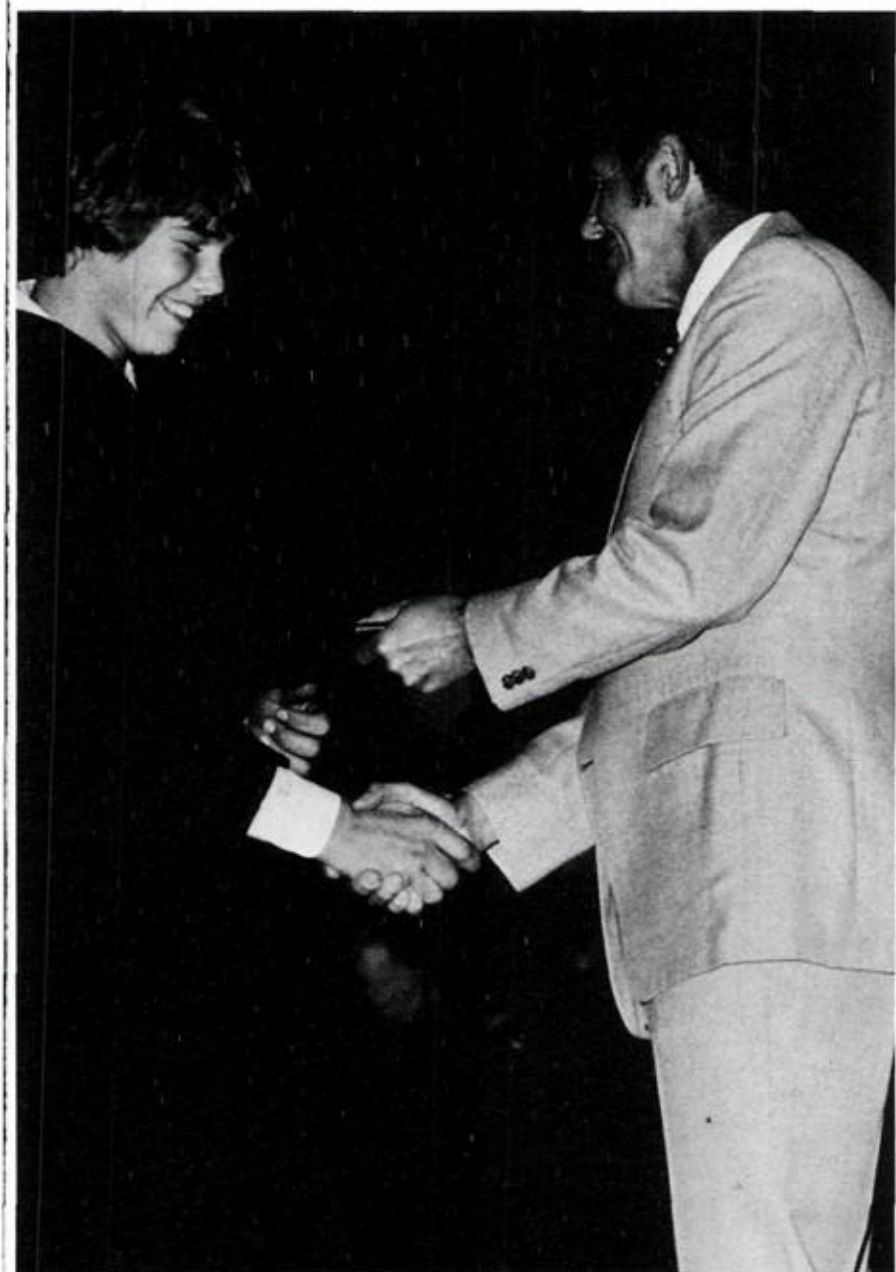

A warm but breezy Friday evening set the atmosphere for the 1978 commencement exercise.

COMMENCEMENT-1978

The ceremony included an introduction by William Dodds, Principal of East Campus, remarks by Robert C. Swartzloff, Superintendent, and O. Gregory Johnson, Principal at West Campus presented Honor Awards. Other speakers included Linda Bonk Matthesius, Class President and Kathleen Margaret Ahern, the Class Valedictorian.

A Farewell to the Graduates

It wasn't very long ago, the year was seventy-four
You finished eight and came to East, to begin four more

Four years have passed so quickly, and though it seemed so far away
Today's the one you've waited for, your graduation day.

And we have all watched you grow, so fast it brings a sigh
Some things we feel, you should know, before we say goodbye

It's our job as your teachers, to your life we're supposed to add
But make no mistake, you've given us, many things for which we're glad.

And one thing you should know, before this day comes to an end
That something of us all remains, wherever we have been

You'll surely come to realize, there's a special place in our minds
For each and every one we meet, for the rest of time

And though not as fresh as once before, there it will always be
No matter where we all may go, or where we all may be

And someday in the future, you might begin to yearn
To take some time from your busy life, to make a fond return

It probably won't be the same, as you once had known
For in the time that will have passed, we all will have grown.

But we look forward to such days, and we hope that you do too
To sit and talk of now and then, the way we used to do

And there's one thing you should know, before this day comes to an end
That something of us all remains, wherever we have been

We hope that what we've tried to say, will mean something to you
For we all touch each others' lives, with the many things we do

And in the time that passes, we know that you will find
What we and others have found out, in our lives of time

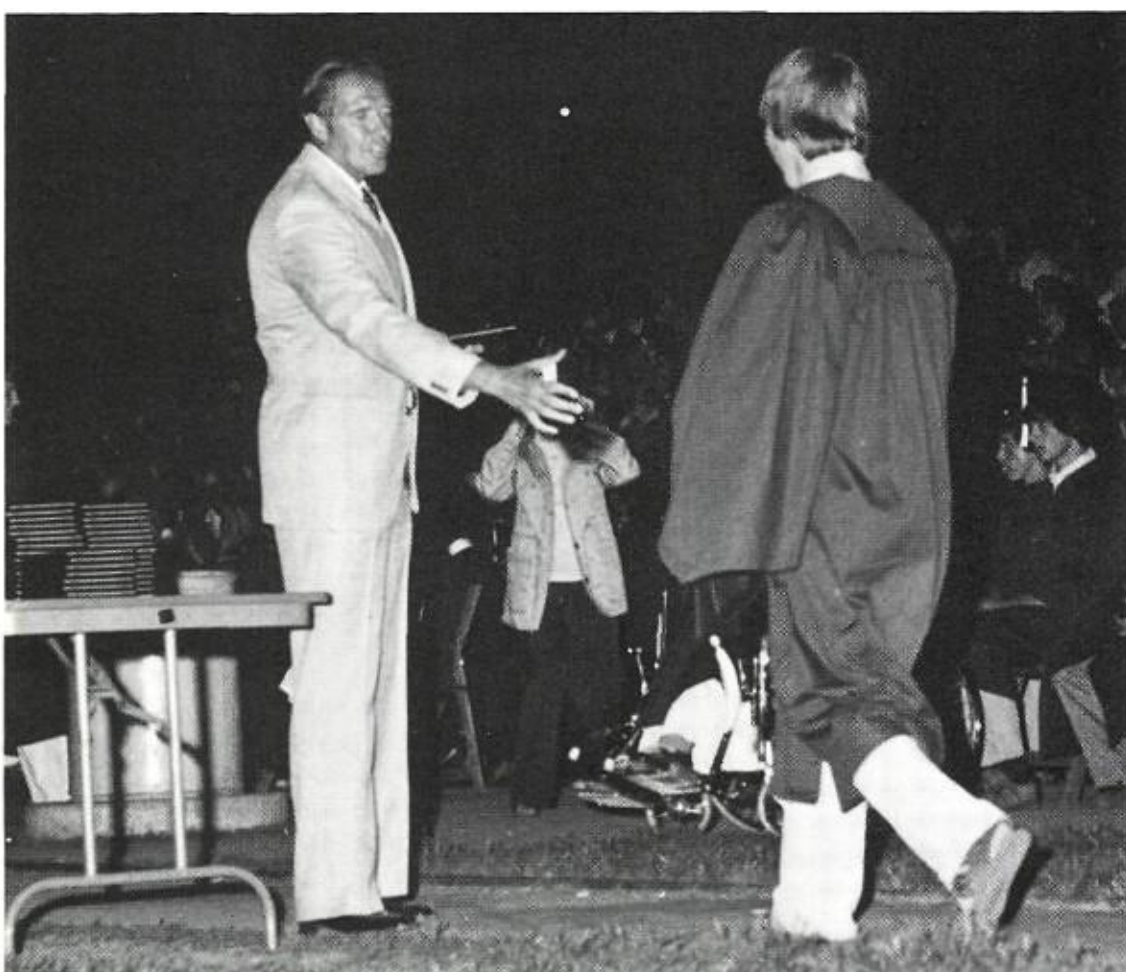

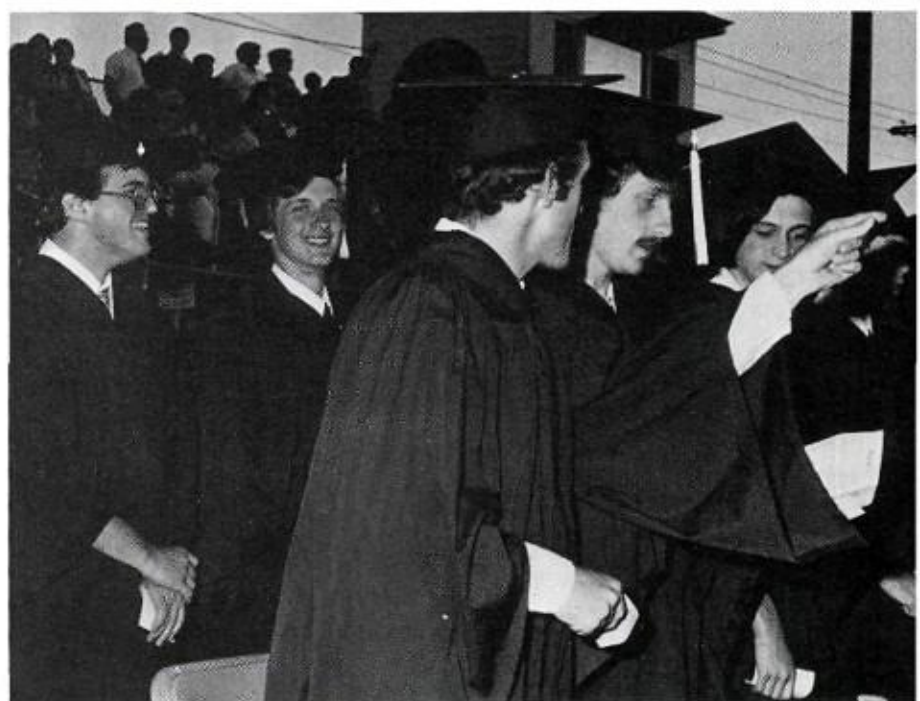

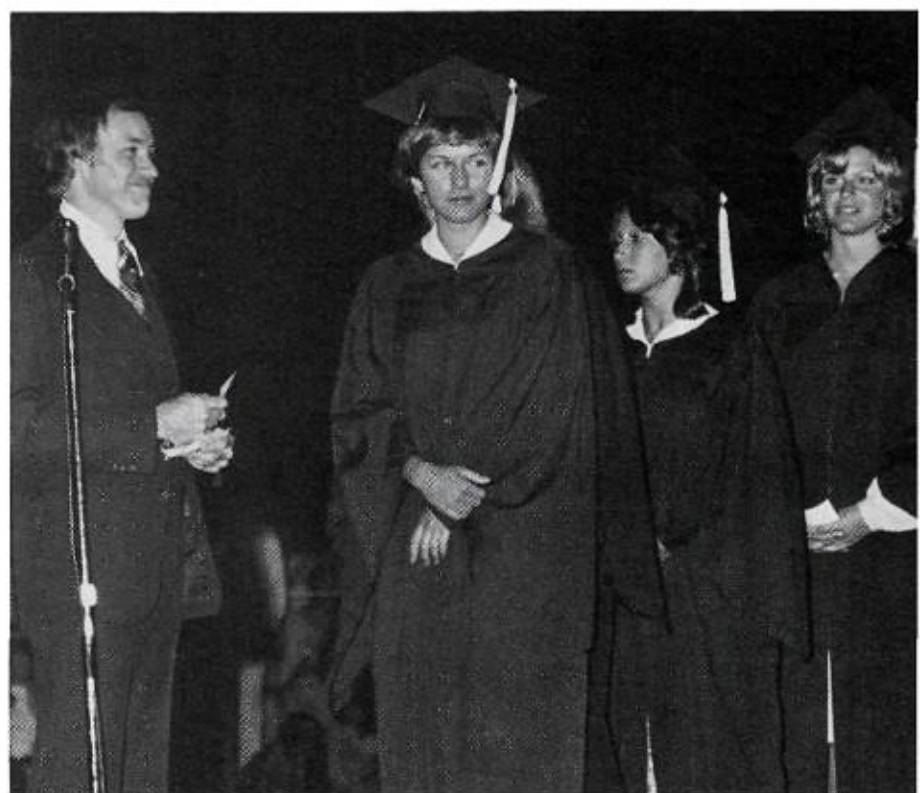

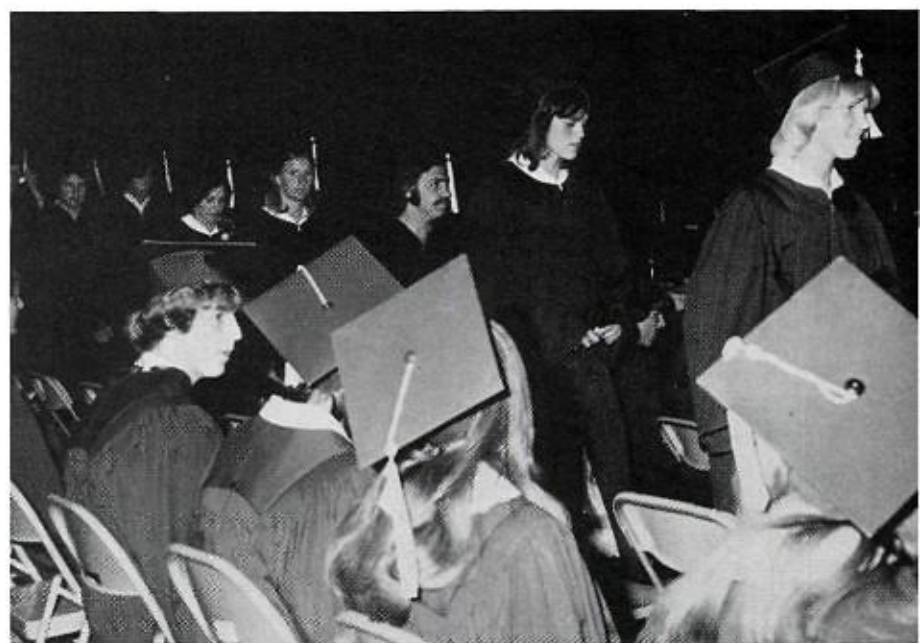

That if we stop to add things up, what will be dear to us
Are people known, and times we've had, The laughter, love and trust

For special folks and special times, this will be very so
In many ways they never say, and they may never know

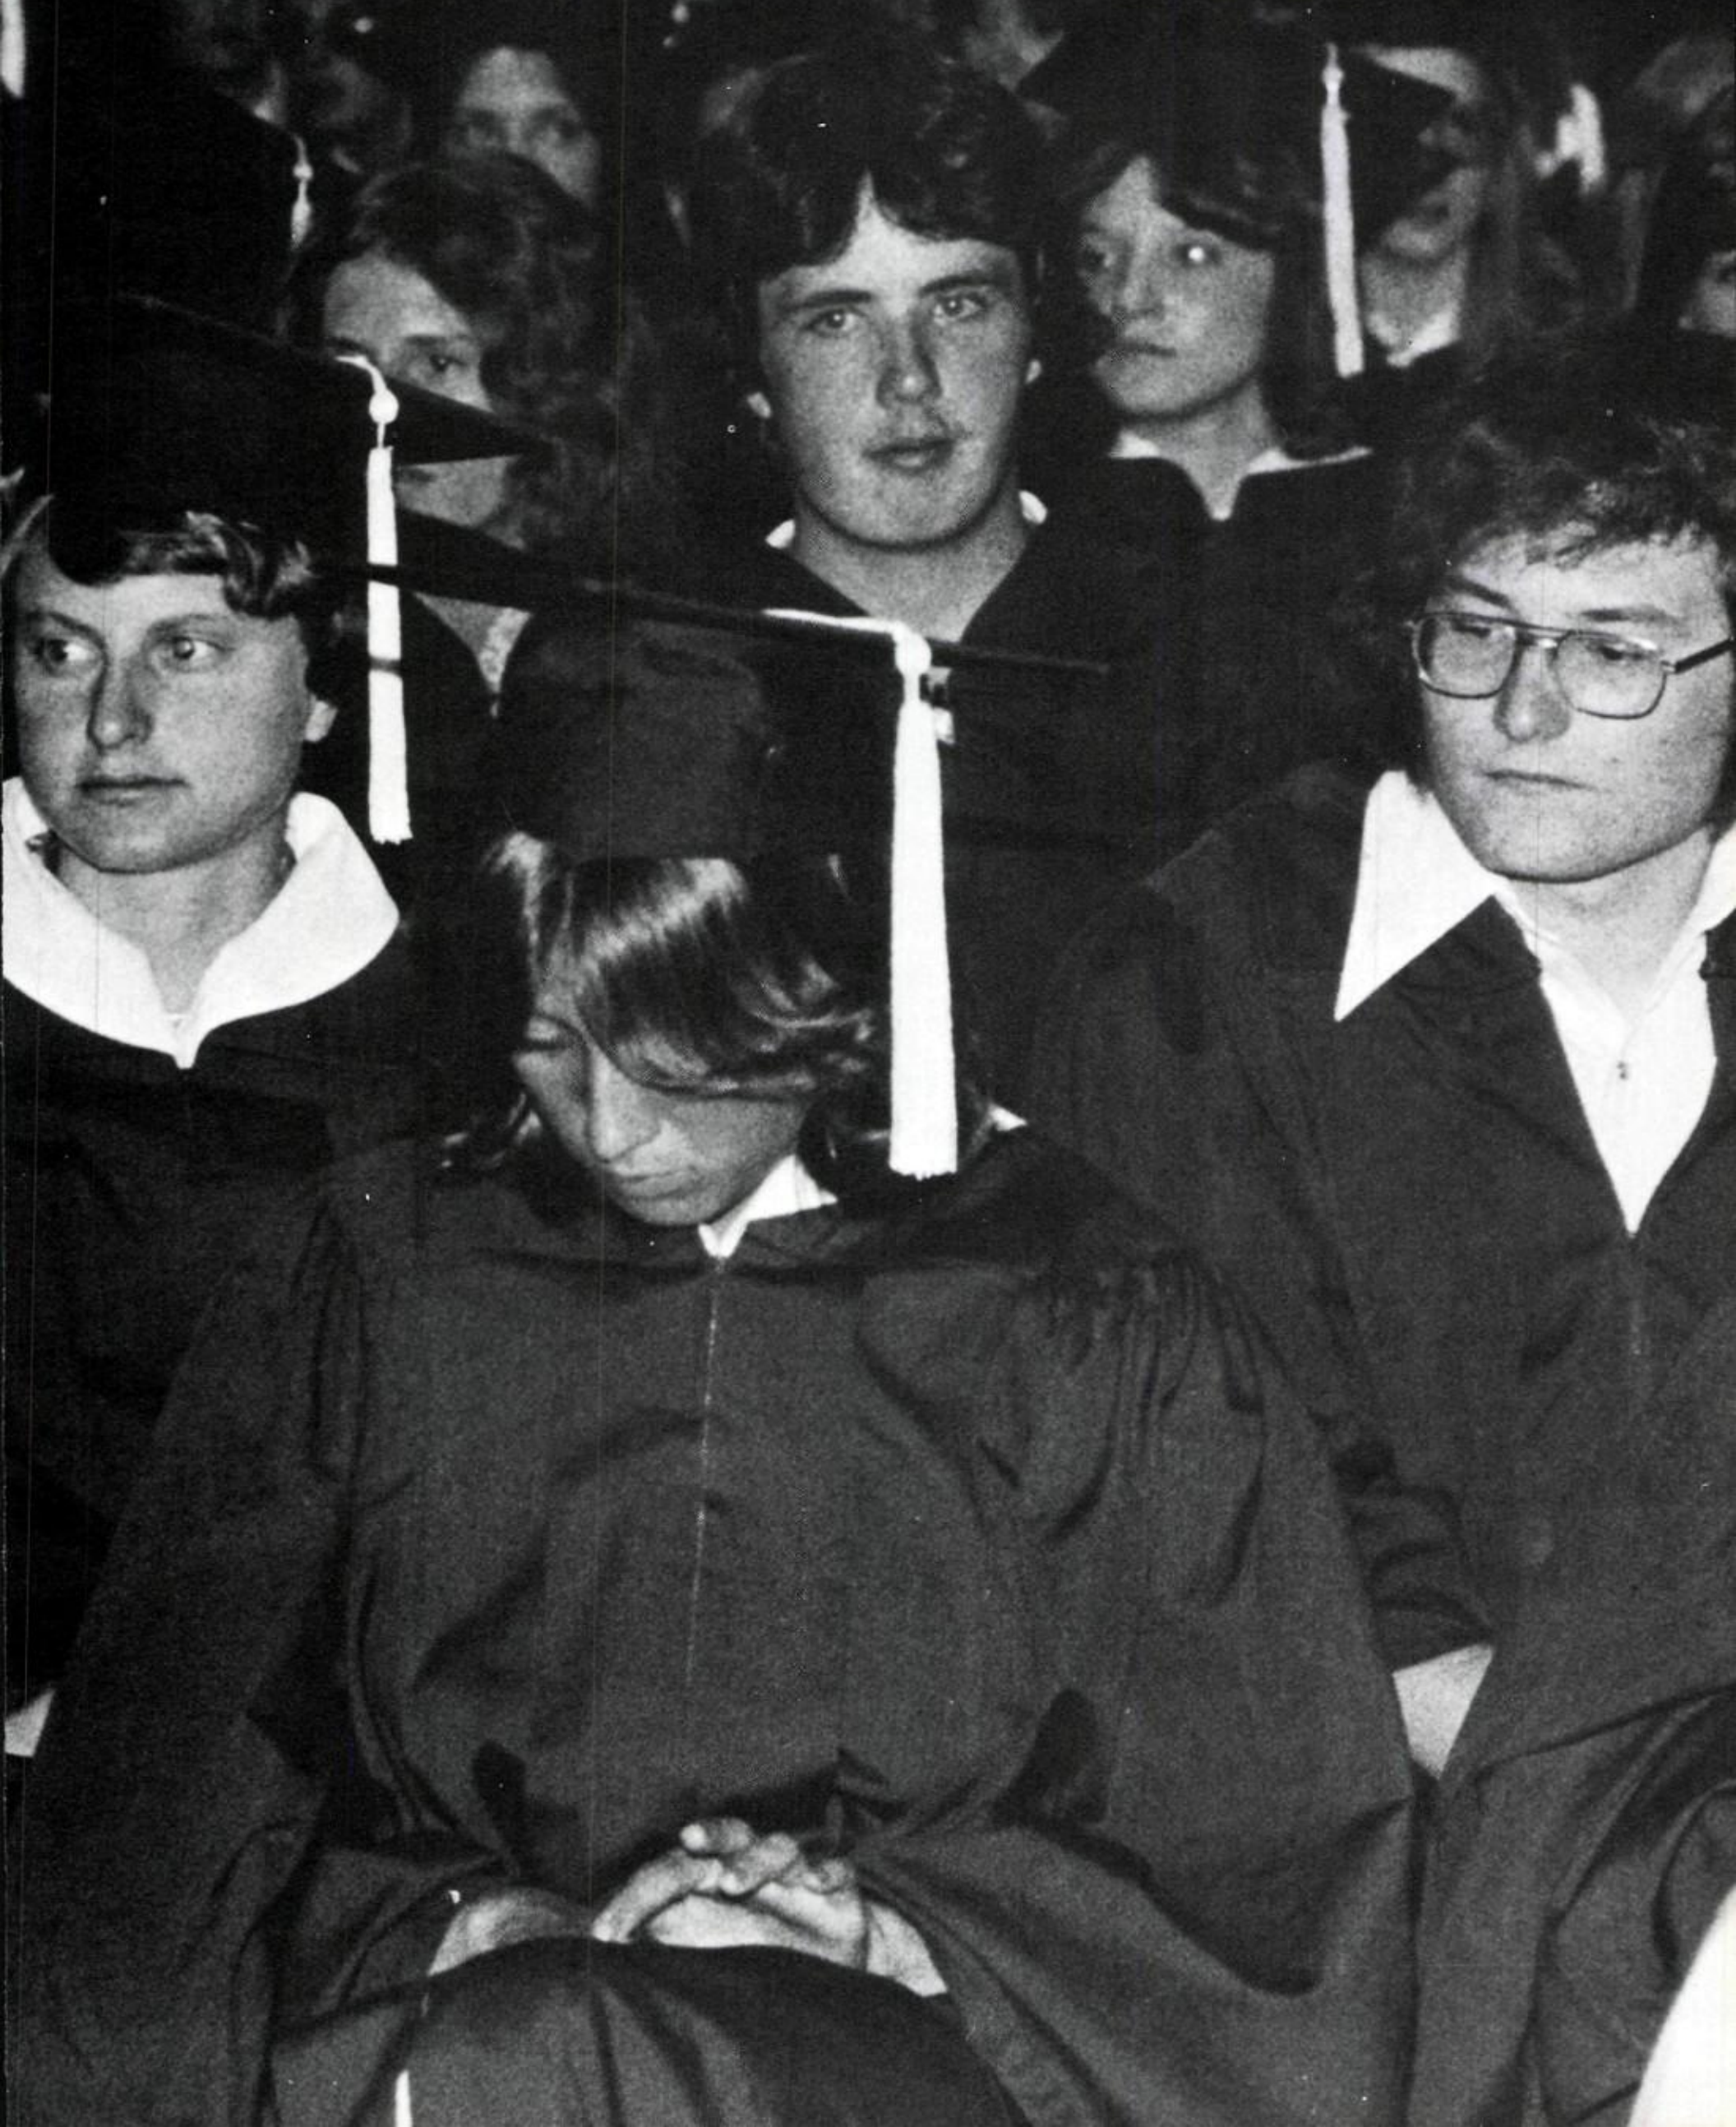

And something of you all remains, at this school where you've been
We're very glad to have had the chance, to know you all as friends.

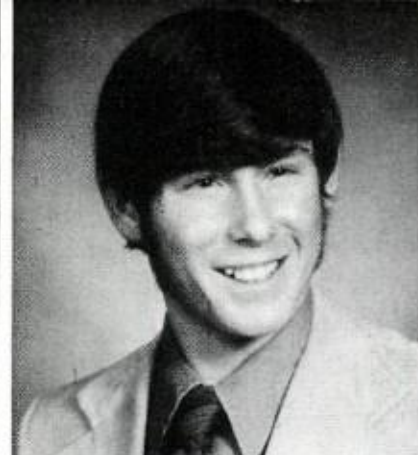

Mr. Ray Mathis

Well this is the end. All we'll have left is the Afterglow. I would like to thank "someone special" for adding a memory that will never be forgotten, as I'm sure everyone else would.

All of the yearbook editors would like to thank Mr. Novak and our staff because without them we would still be trying to finish this yearbook. As part of the senior class I know it's been fun and we'd like to thank everyone involved over the years.

Good luck and thanks
to MCHS and everyone's
"special someone"
